2014 KENTUCKY NATIONAL SHOW & SALE

AMERICAN BEEFALO ASSOCIATION

American Beefalo Association (ABA) is a member driven organization formed to promote the American Beefalo breed of cattle. The ABA maintains the world's largest and most accurate Beefalo Registries - the Herdbook registry, the Beefalo Ancestry Registry, and the Beefalo Meat Registry. The Beefalo Meat Registry serves as the official registry for the USDA's exclusive marketing program for "Beefalo Beef".

Welcome to the 2014 Kentucky Farm Bureau Beef Expo and Beefalo Show and Sale. We are very proud to serve as the corporate sponsor of the expo.

With nearly 500,000 members, Kentucky Farm Bureau is actively involved in ensuring that Kentucky agriculture remains a strong and vital element of our Commonwealth's economy.

Beef cattle are an integral part of Kentucky agriculture. We applaud the efforts of those who work so diligently to improve an industry already known for its excellence, through events such as the 2014 Kentucky Farm Bureau Beef Expo.

Considering ever-increasing consumer demand for high-quality and safe food, efforts to improve Kentucky's beef cattle industry are now more important than ever. The Expo offers you the latest industry news and information, along with the opportunity to obtain some of the best breeding stock in the United States.

Again we welcome you to the 2014 Kentucky Farm Bureau Beef Expo, and hope the many valuable resources available here will benefit both you and your cattle operation.

Sincerely,

 Mark Haney

Dear friends,

Welcome to the 28th Annual Kentucky Farm Bureau Beef Expo at the Kentucky Exposition Center. The Kentucky Department of Agriculture and Kentucky Farm Bureau are proud to sponsor the premier beef cattle event in the Commonwealth of Kentucky.

With beef cattle, as with all livestock, greatness begins in the genes, and buyers can find the best genetics in the business at the Kentucky Farm Bureau Beef Expo. I'm a cattleman myself, and I understand the importance of a strong genetics base in building a successful herd.

Last year's Expo generated more than \$1 million in gross sales, rewarding efforts to make the Expo an appealing and useful event for the beef cattle industry. Numbers for all breeds and the pen heifer sale this year are expected to exceed 2013 levels.

Young exhibitors select project animals for the 2014 show circuit and take part in the junior show. Kentucky continues to increase its influence here; last year, 169 of the 500 entries in the junior show were Kentucky animals, an increase of 31 head from the previous year. The judging contest provides another opportunity for our youth to sharpen their skills.

As Commissioner of Agriculture, I am proud to be involved with this great program in the Kentucky Exposition Center, one of the finest exposition facilities in the nation with 1.2 million square feet of enclosed, climate-controlled exhibition space. Please let me or my staff know how we can help make this year's Kentucky Farm Bureau Beef Expo a great one for you.

Sincerely,

JAMES COMER
 Commissioner of Agriculture
 Commonwealth of Kentucky

TERMS AND CONDITIONS

BIDDING: Each animal on which there are two or more bids will be sold to the highest bidder. Consignors may bid on and/or purchase any animal in the sale.

TERMS: Terms of the sale are cash or valid check. Make checks payable to American Beefalo Association. Settlement must be made immediately after completion of the sale and prior to removing animals from the facility.

DISPUTES: The auctioneer will settle any dispute as to bids declaring all bids void and re-selling the animal in question.

HANDLING: All animals will be maintained prior to the sale at the absolute risk of the seller. All animals are to be maintained at the purchaser's risk as soon as they are sold.

BREEDING GUARANTEE: All animals sold are guaranteed to be breeders by the seller. Females safe in calf or with calves at side are considered breeders. Females which have been bred less than sixty days will be sold as serviced and not guaranteed safe in calf. Females sold as open are so guaranteed. If a female sold as safe in calf proves to be open at the time of sale, seller shall have the option of return of the heifer to get safe in calf or replace with bred female of equal value or refund of full purchase price either of which will be considered full settlement.

Any animal that has not proven itself a breeder within six (6) months after date of sale, if in healthy condition, may be returned to the seller at the seller's expense. Should the animal fail to prove a breeder with six (6) months trial by the seller, the seller, at his option may either return the purchase price to buyer or replace the animal with another of equal value in full settlement and satisfaction of all claims. If proven to be a breeder, buyer will pay for return to his farm.

All complaints regarding breeding difficulties must be reported in writing by the buyer to the seller within the limit specified above and animals returned must be disease free and in good condition.

REGISTRATION: Registration certificates on Beefalo animals will be transferred to the purchaser by the seller. Breeding dates and sires on bred females will be furnished by the seller to the purchaser for recording. A.I. certificates must be furnished with any animal that was artificially inseminated in order to register the animal.

HEALTH: The owner of each animal sold will have such animal tested for Tuberculosis and Brucellosis no sooner than thirty (30) days prior to sale date, and only animals free from such diseases will be permitted to be sold. All females will have been calfhooed vaccinated for Brucellosis. Proper certification will be furnished the purchaser by the seller guaranteeing the animal sold to be free from the above diseases. Animals officially calfhooed vaccinated for Brucellosis and not over eighteen (18) months old are exempt from test.

NOTICE: It is the sole responsibility of the consignor or seller to make positive identification of his animal at point of sale and to match the identification information furnished to the sale in preparation of the sale catalog.

In the event of default in any part of the Terms and Conditions covering this sale by either the buyer or the seller, it shall be the responsibility of the buyer or seller to instigate any action necessary to bring about a fair settlement of any claims arising from this sale and to be responsible for any or all costs involved therein.

ANNOUNCEMENTS: Announcements from the auction box will take precedence over the printed matter in this catalog and all other announcements.

LIABILITIES: All persons who attend the show and/or sale do so at their own risk and neither the owner nor the sale manager assumes liability, legal or otherwise for any accidents that may occur.

CONTRACTS: The above Terms and Conditions shall constitute a contract between the buyer and seller of each animal sold.
