Members of the 2015 Kentucky Farm Bureau Beef Expo and Angus Show will find
 Welcome very special to serve as the corporate sponsor of the event.

With over 888,000 members, Kentucky Farm Bureau is actively involved in
 ensuring that Kentucky agriculture remains a strong and vital sector of our
 Commonwealth's economy.

Beef cattle are an integral part of Kentucky agriculture. We applaud the efforts of
 those who work so hard to improve our industry every year. For the
 excellence, through events such as the 2015 Kentucky Farm Bureau Beef Expo.

Continuing ever-increasing consumer demand for high-quality and safe food,
 efforts to improve Kentucky's beef cattle industry are more important than
 ever. The Expo offers you the latest industry news and information, along with the
 opportunity to share with the best breeding stock in the United States.

Again we welcome you to the 2015 Kentucky Farm Bureau Beef Expo, and wish
 the many valuable executive possibilities you will benefit from you and your clients
 abundant.

Sincerely,

My dear friends,

Welcome to the 29th Annual Kentucky Farm Bureau Beef Expo at the Kentucky
 Exposition Center.

This event is recognized as one of the nation's elite beef cattle exhibitions with
 more than \$1 million in sales for three consecutive years, including a record \$1.14
 million in 2014. Last year's show attracted 171 consignors from 16 states.

Once again, the Beef Expo will offer the annual judging contest and junior show
 so our youth exhibitors can sharpen their skills and possibly pick out a project animal
 for the upcoming show season. Almost half the cattle in the 2014 junior show were
 Kentucky animals.

An elite expo deserves an elite venue. The Kentucky Exposition Center offers
 1.2 million square feet of enclosed, climate-controlled exhibition space and close
 proximity to Louisville International Airport, dozens of Kentucky Proud restaurants,
 and many other attractions.

Kentucky Department of Agriculture staff will be on hand to check the health
 papers of all the animals that enter the expo center, conduct the shows and sales, and
 provide other services. Please don't hesitate to let us know if we can help you in any way.

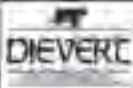

Best wishes for an enjoyable and successful Kentucky Farm Bureau Beef Expo!

Sincerely,

James Comer
 Commissioner of Agriculture
 Commonwealth of Kentucky

Welcome to the 59th Annual Kentucky Angus Sweepstakes Show and
 Sale to be held on March 6 & 7, 2015 at the Kentucky Exposition Center in
 Louisville, Kentucky. As an event, the Sweepstakes has grown and prospered
 because it fills a market niche for sellers and buyers alike. Kentucky
 Angus breeders, large and small, have the opportunity to market the products
 of their respective programs, while buyers have available an excellent
 selection of competitive show heifers and bred heifers and/or bulls that will
 make great additions to their respective herds.

The 2015 offering will once again include a set of show prospects which
 should be quite competitive in the coming show season. Remember that an
 entry from the 2014 Kentucky Sweepstakes included a heifer that went on
 to be the Reserve Grand Champion Heifer of the 2014 All-American Angus
 Futurity and the Grand Champion Heifer of the 2014 Kentucky State Fair.

Another part of the weekend which you will not want to miss is the Kentucky
 Angus Association Awards Banquet at the Hilton Garden Inn Friday
 evening. The Sweepstakes Champions will be formally recognized and the
 Kentucky Angus Association annual awards recipients will be announced.
 The Juniors have always been a top priority with the Kentucky Angus
 Sweepstakes. Junior-owned entries are an integral part of the 2015 Kentucky
 Angus Sweepstakes and junior-owned champions will be recognized
 throughout the show. The Sweepstakes annually designates \$1,200 in
 premiums solely for purchasers of heifers from the Sweepstakes Sale that
 are subsequently exhibited in the Kentucky Beef Expo Junior Show and/
 or the Kentucky Angus Preview Show. Please note the change in schedule
 of the Kentucky Beef Expo Junior Show this year. All juniors are eligible to
 register for four \$200 purchase awards.

The Sweepstakes is part of the 29th Annual Kentucky Farm Bureau Beef
 Expo which features shows and sales of 10 breeds plus one all breed and
 commercial female sale. Approximately 500 head will sell under one roof
 on Saturday, March 7. A great deal of the funds required to operate the
 Expo comes through the Kentucky Department of Agriculture through the
 Kentucky National Program, and again this year we are pleased to welcome
 the Kentucky Farm Bureau as the major corporate sponsor of the Expo.
 Please express your gratitude to the representatives of these two organi-
 zations. The Expo in its current form would not be possible without their
 manpower and financial support.

Give me a call if I can help you in any way pertaining to this event. I will
 be in Louisville from Wednesday, March 4 through Sunday, March 8. I will
 look forward to seeing you there.

Sincerely,
 Tim Dievert

ANGUS SWEEPSTAKES

Friday, March 6
 & Saturday, March 7, 2015

Kentucky Exposition Center, Louisville, KY

Welcome to the 59th Annual Kentucky Angus Sweep-
 stakes and the 29th Kentucky Beef Expo. This is the flag-
 ship event for the Kentucky Angus Association. I invite all Angus
 breeders to attend the show Friday morning, March 6, and
 our Annual Banquet that evening at the Hilton Garden Inn.
 The sale follows on Saturday, March 7. The consignors have
 brought a great group of cattle for you to appraise. Whether
 you are looking for a show heifer, bred heifers or a new herd
 sire, this sale will have something for you.

The Kentucky Angus Association is a great organization
 to meet and network with fellow Angus breeders. If you are
 not a member, I would encourage you to contact any of our
 members or myself. We will get you information on how to
 join. I hope to see you in Louisville March 6 & 7.

We could not dig deeper into our replacements than 703B, she is exactly what we expected when we mated Tryon, a full brother to Lutton, to our Rosebud females. Full sisters to her dam work and consistently produce champions for Cherry Knoll Angus and APS Angus. This striking beauty is sound as a cat with a soft tear drop rib shape, and she is powerfully constructed from end to end. 703B has one of the sweetest attitudes we have ever experienced in an Angus female, which would make her an excellent project for a younger Junior member.

- Elite show heifer and donor cow prospect! Phenotypically, this February heifer is really unique. She has an incredible long and high-setting neck; she is feminine headed, big bodied and structurally sound. Just as impressive, her pedigree matches her look. She is sired by Eagle Eye and out of 8515 who sold as the top-selling Angus cow at the 2013 Foundation Female Sale for \$35,000 to BF Black Simmentals, Auburn, NE and was a many time champion, including Grand Champion Heifer at the 2009 KY State Fair. Combine all this with exceptional numbers and it is easy to understand why we believe she is one great female.

- A Brave daughter from a Skymere cow bred in the Toll's herd. Shady Brook Neutron 0239 was the natural service sire in the Toll herd for several years and sired many show animals for Charles Wallace and Ashley Toll. The Skymere family was a dominant family in many Kentucky leading herds not many years ago. AI bred on 9/15/14 to PVF INSIGHT 0129. Examined safe.

- She is a SydGen Liberty GA daughter and shows a lot of the same phenotypical qualities that earned her sire the Champion Bull honors in the 2010 Missouri State Fair. Her dam, SydGen Augusta 9535, is a direct daughter

of the great SydGen 928 Destination 5420 bull they affectionately referred to as "Whiskey." But she's not just a pretty face, with EPDs in the Top 1% for Docility, Milk, \$W and \$F; Top 2% for Weaning Weight, Yearling Weight, RADG and \$G; Top 10% for YH and CW; she has serious performance credentials! She is bred and confirmed to CHF 6099 C C & 7 1324 to calve in mid-April, 2015. Another great donor cow prospect!

• "424" is a moderate, big-topped and heavy-muscled calf. His sire, "797" has been a major asset here at FSN. He sired the Reserve Champion Bull at the 2013 KY Angus Sweepstakes. He has many sons working across the state, including 2 at Heritage Livestock, Inc. in Bowling Green, KY. "424" is also backed by cow power. His dam, F S N Ariel 831, produced the high-selling bull in the first Breeding For The Future bull test sale in Russellville. The grandam of "424" was in our herd until 12 years of age, and his great-grandam until the age of 19! Genetics that LAST!

• I, Tim Dievert, had the privilege of visiting the Manning herd early in the summer of 2014. This calf really caught my eye on that visit, and at that time, I encouraged farm manager, Jim Newsome, to consider consigning this young herd sire prospect to the Sweepstakes. I think you will be impressed with his continued growth and development.

- 1324 is probably the best SydGen C C & 7 son we have ever raised. His dam, Three Trees Forever Lady 3901 has been the foundation donor of our herd for several years. He has a full brother serving as the primary herd sire at Merrick Farms, Somerset, KY that was the Reserve Champion Sweepstakes Bull in 2010. Another full brother serves as the herd sire for Nathan Groce in Albany, KY. Three full sisters are currently in production and sold for an average price of \$4,150 each. 1324 participated in the 2014 IBEP performance test at the Purdue University Farm and was the second highest indexing purebred Angus bull in the test with an ADG of 4.98 lbs. per day. He ranks in the Top 1% for \$B, \$F, Weaning Weight, Yearling Weight and CW; Top 2% for \$W; Top 3% for RE and Docility; Top 4% for Milk; Top 10% for RADG and Top 15% for Scrotal EPD. Seldom in a lifetime does a bull with that kind of proven performance capability come along with a phenotype that is 98% correct. Wrap all that into one package and then add a wonderful disposition and you have a truly extraordinary herd bull.

JUNIORS!

Did you know that if you purchase a heifer in the Sweepstakes and show her on Sunday in the Beef Expo Junior Show, we will pay your entry fee and you will share in the \$600 premiums set aside for only heifers purchased in the Sweepstakes?

Couple this with your chance to win from \$25 up to \$1,000 in the Jackpot Show, and you could have quite a day!

SWEEPSTAKES PURCHASE AWARDS

A special feature of the Sweepstakes will be the registration of Juniors for four \$200 awards, to be used toward the purchase price of any animal purchased by that junior in the Sweepstakes sale. The names of all juniors who register will be placed in a container and four names will be drawn just prior to the sale. If any of the juniors' names that are drawn purchase an animal in that sale, he/she will receive a \$200 credit toward the purchase of that animal. Registration will begin at 9 a.m. and continue until 11:30 a.m. Saturday. **YOU MUST BE PRESENT AT THE TIME OF THE DRAWING TO WIN**, and the awards are non-transferrable. Any animal purchased with one of these awards would receive double premium funds if consigned to a future Kentucky Angus Sweepstakes.

2015 KY Sweepstakes Shows

9 A.M. Friday, March 6, 2015 – Judge: Kevin Rose

The 2015 Sweepstakes Show will be conducted in a different manner than previous Sweepstakes. All entries will show by divisions. Divisions will be determined after entries are checked in and will not necessarily follow the standard show classification. Only a Division Champion and Reserve will be selected in each division. All entries in the divisions will receive equal premiums and the Champion and Reserves will receive additional premiums, as well as banners. Each Champion and Reserve will compete for Grand Champion and Reserve Grand Champion awards for their respective sex. The show will begin at 9 a.m. with the non-halter entries and then move to the show ring for haltered entries immediately after the conclusion of the pen show. Bulls will show first in the haltered entries and then females. If our show is not completed by 11:30 a.m., there will be a break for the Expo check presentations by Commissioner of Agriculture James Comer to all of the participating breeds in the Kentucky Beef Expo.
