Kentucky Exposition Center, Louisville, KY

Kentucky Farm Bureau Federation

Dear friends,

As your new Kentucky Commissioner of Agriculture, it's my pleasure to welcome you to the 30th Annual Kentucky Farm Bureau Beef Expo at the Kentucky Exposition Center.

The Beef Expo is recognized as one of the nation's elite beef cattle exhibitions. Last year's event set a record with sales of \$1.39 million, marking the fourth consecutive year with sales in excess of \$1 million. The 2015 show attracted 201 consignors from 18 states.

Youth exhibitors can test their skills in the annual judging contest and junior show. The 2015 junior show saw 379 head pass through the show ring, including 154 Kentucky animals.

It all happens in the Kentucky Exposition Center, an elite facility with 1.2 million square feet of enclosed, climate-controlled exhibition space and close proximity to Louisville International Airport, dozens of Kentucky Proud restaurants, and many other attractions.

Kentucky Department of Agriculture staff will be on hand to check the health papers of all the animals that enter the expo center, conduct the shows and sales, and provide other services.

Please know that my door is always open. If I or my staff can help you in any way, don't hesitate to ask.

Again, welcome to the Kentucky Farm Bureau Beef Expo. Best wishes on a successful show and sale.
