My dear friends,

Dear friends,

As your new Kentucky Commissioner of Agriculture, it's my pleasure to welcome you to the 30th Annual Kentucky Farm Bureau Beef Expo at the Kentucky Exposition Center.

The Beef Expo is recognized as one of the nation's elite beef cattle exhibitions. Last year's event set a record with sales of \$1.39 million, marking the fourth consecutive year with sales in excess of \$1 million. The 2015 show attracted 201 consignors from 18 states.

Youth exhibitors can test their skills in the annual judging contest and junior show. The 2015 junior show saw 379 head pass through the show ring, including 154 Kentucky animals.

It all happens in the Kentucky Exposition Center, an elite facility with 1.2 million square feet of enclosed, climate-controlled exhibition space and close proximity to Louisville International Airport, dozens of Kentucky Proud restaurants, and many other attractions.

Kentucky Department of Agriculture staff will be on hand to check the health papers of all the animals that enter the expo center, conduct the shows and sales, and provide other services.

Please know that my door is always open. If I or my staff can help you in any way, don't hesitate to ask.

Again, welcome to the Kentucky Farm Bureau Beef Expo. Best wishes on a successful show and sale.

Sincerely,

Sincerely,

RYAN F. QUARLES

Commissioner of Agriculture

Welcome to the 2016 Kentucky Farm Bureau Beef Expo and the Kentucky National Hereford Show and Sale. We are very proud to once again serve as the corporate sponsor of the Beef Expo.

With over 468,000 members, Kentucky Farm Bureau is actively involved in ensuring that Kentucky agriculture remains a strong and vital element of our Commonwealth's economy. A big contributor to that economy and an integral part of Kentucky agriculture is the beef cattle industry.

Kentucky ranks 8th in beef cattle inventory nationally and is the top producing cattle state east of the Mississippi River. We applaud the efforts of those who work so diligently to improve an industry already known for its excellence, through events such as the annual Kentucky Farm Bureau Beef Expo.

Considering ever-increasing consumer demand for high-quality and safe food, efforts to improve Kentucky's beef cattle industry are now more important than ever. The Beef Expo offers the opportunity to purchase some of the best breeding stock in the United States and network with breeders from Kentucky and surrounding states.

Again, we welcome you to the 2016 Kentucky Farm Bureau Beef Expo and hope the many valuable resources available here will benefit both you and your cattle operation.

Sincerely,
Mark Haney
President

- In a world of endless e-Blasts, newfangled marketing schemes and countless online sales for us to buy cattle thousands of miles away with the click of a button, competitive barely begins to describe the cattle business. No matter your marketing scheme, today it's simply a necessity to produce cattle with extra phenotype and a storied pedigree to be competitive. This herd sire has the phenotype to change a program and the genetics to back up your eye. Named "Rule Breaker" for a reason, this dude isn't your average Hereford. He hits on all the herd bull basics – butt, nuts and guts — plus he is huge haired, good looking and as sound as red and white comes.
- HVW Rule Breaker was exhibited at the 2015 NAILE where he won an ultra stout class and was the ringside favorite of many in the division. Go to www.hannahwine.com for updated pictures and video closer to sale time.
- Selling 2/3 interest and full possession.

- S502 is a nice young bull sired by Xerox and out of a Botkin's bred cow that pours the milk. He weaned off nice with no creep feed. We really like these Xerox progeny. The champion heifer at the 2015 Kentucky Beef Expo show and sale was sired by Xerox. This bull will be younger than most on sale day, but will be ready for some service come late spring/early summer. - Stout and rugged describes this bull to a T. This Grizzly son is extra thick down his top and through his hip and extends down into an explosive quarter. He reaches free and fluidly off both ends with a big foot and huge bone. He is extra long spined and combines that with being long sided with explosive spring of rib. His mother is out of John Wayne and had a second to none maternal pedigree. Don't miss out on the chance to add pounds and performance to your herd.

- Growth and performance describe this heifer. Out of Grizzly and Boomer 29F. Her grandmother is the great MSU BR Markette 55N. Her mother's full siblings have won national championships and have had countless division wins. This heifer is extra extended and clean out of her front one-third. Beautiful profiling heifer.
- Two units of semen out of our herd bulls will be offered with this heifer.

- Shannon is one of our nicest. She is long necked, level topped, square built and has a broody look. She is extended in her build, nicely balanced and flawless when you set her into motion. She is out of a really nice cow and her sire is one of our herd bulls. The 207U cows are some of the best uddered cows on our farm. C19 will show as a senior yearling and then go on to make a really nice brood cow.

- Rickelle is sired by 4R, one of the hottest and most consistent bulls the last five years. Her dam is one of our lead donors and is producing functional and stylish cattle. Along with her pedigree she has a very nice phenotype. She is smooth through her front end, big middled and is square built. Also, being a May, she will be in a different division at shows. Buy with confidence because she will be an awesome cow.

Terms and Conditions

| | |
|------------------------------------|--|
| Terms: | Terms of the sale are cash. Each animal will be sold to the highest bidder. The auctioneer will settle any disputes as to bids. |
| Purchase: | Each animal will be at the purchaser's risk as soon as sold and can be moved after settlement has been made. The animal can be left in the West Wing for 24 hours at the purchaser's risk of loss or injury. |
| Health: | All cattle will have health certificates that will enable them to be shipped to any state. |
| Consignor's Responsibility: | The seller is the responsible party for all representations made about his cattle. The management of the sale assumes no liability, legal or otherwise, but will endeavor to protect the interest of both the buyer and the seller. |
| Changes: | Changes in these conditions will be binding only when reduced to writing and signed by the seller, buyer or clerk of the sale. Verbal agreements result in misunderstanding and the above rule is made to avoid such. Any changes in breeding dates will be announced sale day. Announcements from the sale box take precedence over anything printed in this catalog. |
| Papers: | The certificates will be transferred to the buyer at the seller's expense. All calves born after the sale are to be registered by the purchaser. No AI certificates are furnished. |
| Note: | As the sale manager, Kentucky Hereford Association is only an agent for the seller and has no responsibilities other than those involved in conducting the sale. All persons who attend the sale do so at their own risk. Neither the owners of the consigned cattle nor the Kentucky Hereford Association assumes liability, legal or otherwise, for any accidents which may occur. |
