From the South, follow I-65 north to fairground signs

From the North, follow I-65 south to fairground signs

From the West, follow I-64 east to fairground signs

From the East, follow I-64 west or I-71 south to Waterson Expressway (I-264) to fairground signs

Dear friends,

Welcome to the 31st Annual Kentucky Farm Bureau Beef Expo, a celebration of the Kentucky beef industry's heritage and its future.

Beef cattle are a major economic driver in the Commonwealth. Kentucky is the leading state east of the Mississippi River with more than 1 million beef cows. Beef producers took in \$927 million in farm cash receipts in 2015. We are proud of our beef industry and look forward to better days ahead.

The Beef Expo is a leading livestock event in Kentucky and the U.S. Sales have exceeded \$1 million for five consecutive years. This is the place to be in late winter to upgrade your herd's genetics.

Along with our nationally prominent beef industry, we in Kentucky are blessed to have one of the best facilities in the nation – the Kentucky Exposition Center, with 1.2 million square feet of enclosed, climate-controlled exhibition space. And while you're in Louisville, be sure to check out our many fine restaurants that serve delicious locally produced foods bearing the Kentucky Proud logo. Kentucky Department of Agriculture staff will be on hand to check the health papers of all the animals that enter the expo center, conduct the shows and sales, and provide other services. If I or any of our staff can be of service to you, please don't hesitate to let us know.

Again, welcome, and best wishes on an enjoyable and successful Kentucky Farm Bureau Beef Expo.

Sincerely,

RYAN QUARLES

Commissioner of Agriculture
Commonwealth of Kentucky

Welcome to the 2017 Kentucky Farm Bureau Beef Expo and the Kentucky National Hereford Show and Sale. We are very proud to once again serve as the corporate sponsor of the Beef Expo.

With over 475,000 members, Kentucky Farm Bureau is actively involved in ensuring that Kentucky agriculture remains a strong and vital element of our Commonwealth's economy. A big contributor to that economy and an integral part of Kentucky agriculture is the beef cattle industry.

Kentucky ranks 8th in beef cattle inventory nationally and is the top producing cattle state east of the Mississippi River. We applaud the efforts of those who work so diligently to improve an industry already known for its excellence, through events such as the annual Kentucky Farm Bureau Beef Expo.

Considering ever-increasing consumer demand for high-quality and safe food, efforts to improve Kentucky's beef cattle industry are now more important than ever. The Beef Expo offers the opportunity to purchase some of the best breeding stock in the United States and network with breeders from Kentucky and surrounding states.

Again, we welcome you to the 2017 Kentucky Farm Bureau Beef Expo and hope the many valuable resources available here will benefit both you and your cattle operation.

Sincerely,

Mark Haney
President

- It is difficult to breed a calf that combines more of the desirable traits than this guy. He has all the eye appeal and style one could want and combines it with a great disposition. His sire and dam are among the "Who's Who" of Hereford genetics and are known to bring extra value to the marketplace. Rita 1B is a full sister to the famed herd sire TH 71U 719T Mr Hereford 11X and is a donor for Southern Cattle Company in Marianne, Fla. His sire, Twentytwelve is the \$62,500 Ned and Jan Ward sale topper that was reserve senior champion bull in Denver. Both grandmothers, 78P and 71U, have written volumes of Hereford history. Sazerac has the potential to move your herd to the next level.

• This one has been a pen favorite since birth. He'll make his new owner look awfully smart when the first calves begin to hit the ground. With a shot of the maternal trait champion Durango 4037 on both sides of the pedigree, it is no surprise how this bull hits the eyes. Extra length, thickness and fleshing ability combined with exceptional balance and plenty of pigment. Whether you have heifers or cows to service and it makes no difference if your females are red and white or black, this bull should consistently transmit low birth weight and added efficiency fit for many segments.

- This bred female has the right breeding that people are looking for with 719T and P606. This heifer is bred to make an awesome cow.

- 5624 was bred AI Dec. 8, 2016, to Durango 44U.

- Consigned by Cottage Hill Farm, Petersburg, W.Va.

The National Hereford Women (NHW) award five scholarships in addition to numerous awards and contests every year. Currently, two of these scholarships are fully funded in the Hereford Youth Foundation of America (HYFA). The NHW are working to raise funds to fully fund the remaining scholarships to provide consistency and longevity to the program.

- This heifer comes from the heart of our herd. She is a really long spined, big middled heifer that ties it all into a nice package. Her mother has been our lead donor for a couple years now. Her full sister was selected to sell in the Ladies of the Royal sale in 2015. She will be a lot of fun next year to take to Junior National in Louisville and will go home and make a front pasture cow.
- Consigned by Ogle Polled Herefords, Shumway, Ill.

• Rico Suave is a Grizzly 0146 ET son out of a 5411 daughter that reads with tons of herd sire potential. Take note of the hip and hind leg on this guy, as cattlemen alike will be able to see the promise of longevity that comes with the flex and give he has to his hocks and pasterns. He's also a square made, big ribbed, good fronted bull that reads well enough on paper to be confident that he will add growth and pounds to your program without sacrificing an attractive, quality look. Purebred and commercial producers likewise, this extremely docile beef bull will not be a disappointment in your progressive operation.

• This April horned heifer will surely turn some heads; super long bodied and fronted with extra bone and thickness. Her dam is a full sister to Revolution 4R's dam. Rachel is pigmented, good numbered and should be very competitive next summer. Purchase this heifer and become eligible to come to the Perks Ranch Show Clinic in May!

• Consigned by Perks Ranch, Rockford, Ill.

- If you are serious about breeding great Hereford cattle, don't let his heifer get away. Powerfully constructed from the ground up with as much rib shape and dimension down her top as you can get. I really admire this heifer for her power, but where I really get excited is how long strided and easy moving she is for being that stout. This heifer needs a young showman for this year's Junior National. She has a sweetheart disposition. Study her pedigree. Her dam is a maternal sister to the dam of Revolution, along with several other top donors across the country from MSU. This girl is destined for the donor pen. Don't let the hammer drop and her not be yours. Dehorned.

- This dark red polled heifer is going to make a great breeding piece. Check out her EPD profile. If you're into performance data, this gal will be hard to pass up. She has an outcross pedigree to most of today's popular sires, giving her more mating possibilities. Phenotypically she is long spined, deep ribbed and big footed. If you're in the business to make front pasture type cows with mouthwatering udders or rugged designed bulls with numbers to back them, make the smart move and buy with confidence.

- This female has the word brood cow written all over her!! A granddaughter of the famous Pure Gold on the top side of her pedigree. Lots of depth and dimension in this heifer to be able to withstand stiff competition in the showing. Her EPDs speak for themselves. She has a lot to offer to any cattleman's operation at home. Don't pass her up in the stalls at Louisville!
- Consigned by Popplewell Farms, Russell Springs, Ky.

- Phil is sired by Rock Solid who consistently stamps his progeny with quality and appeal. C27 is so functional in his build. He is stout hipped, square and level in his lines and sets down on a big foot. He is the definition of beef bull look. In addition to being attractive in his build, he also balances up extremely well on paper. This is a bull that can add power and weight into his calves while still being used on heifers.

- Kelly comes from one of our best cow families. Her mom is a stout, hard working Bright Future daughter that won her division at Ft. Worth, and has been one of our best producers. Her sire, Rock Solid, was champion at both Missouri and Illinois State Fairs and has been a consistent herd sire. Kelly is flat shouldered, long bodied and deep sided while still being extremely sound and attractive. She'll make a competitive senior yearling then even better cow.
- Pasture exposed Dec. 1, 2016 to Jan. 31, 2017, to JTH SC Waylon 55C ET, our exciting new 88X herd sire who was also a division winner at the NAILE.
- Consigned by Gene and Lori Stumpf & Family, Columbia, Ill.

• Numbers, pedigree and eye appeal. Daffodil is a soggy made, good haired sweetheart ready for a show halter. We love our Tobey calves. Our Fawcett bred herd sire is a flushmate to the popular Chosen One and he's a maternal brother to Cash Flow. Combined with TNT and Kay-Baby on the bottom side and her balanced EPD profile, Daffodil is the maternal, functional kind to build a herd around.

- Consigned by Darryl Rainey, Cynthiaiana, Ky. and NJB Limited, Mays Lick, Ky.

LOT 70 — DR NJB 3001 YETI 612

Terms and Conditions

- Terms:** Terms of the sale are cash. Each animal will be sold to the highest bidder. The auctioneer will settle any disputes as to bids.
- Purchase:** Each animal will be at the purchaser's risk as soon as sold and can be moved after settlement has been made. The animal can be left in the West Wing for 24 hours at the purchaser's risk of loss or injury.
- Health:** All cattle will have health certificates that will enable them to be shipped to any state.
- Consignor's Responsibility:** The seller is the responsible party for all representations made about his cattle. The management of the sale assumes no liability, legal or otherwise, but will endeavor to protect the interest of both the buyer and the seller.
- Changes:** Changes in these conditions will be binding only when reduced to writing and signed by the seller, buyer or clerk of the sale. Verbal agreements result in misunderstanding and the above rule is made to avoid such. Any changes in breeding dates will be announced sale day. Announcements from the sale box take precedence over anything printed in this catalog.
- Papers:** The certificates will be transferred to the buyer at the seller's expense. All calves born after the sale are to be registered by the purchaser. No AI certificates are furnished.
- Note:** As the sale manager, Kentucky Hereford Association is only an agent for the seller and has no responsibilities other than those involved in conducting the sale. All persons who attend the sale do so at their own risk. Neither the owners of the consigned cattle nor the Kentucky Hereford Association assumes liability, legal or otherwise, for any accidents which may occur.
