

2019 Kentucky Farm Bureau Beef Expo Junior Heifer, Steer & Market Heifer Show Rules and Schedule

March 2nd, 2019

Limited early stalling is available in the West Wing (designated areas only) after 8:00 a.m. Friday. No tack, grooming chutes or butt fans are allowed in the early stalling sections. Stalls will be on a first come, first serve basis. Show management will honor no reserve space. Check livestock office for available area before stalling. **When early stalling is full, no more junior cattle will be permitted in the barn until Saturday, March 2nd, at 12:30 p.m.** After expo sale cattle have sold and vacated, junior exhibitors will have access to the entire West Wing. Chutes, tack, fans, etc... can be used in the barn.

These regulations are necessary to accommodate as many early arrivals as possible because of the likelihood of inclement weather in early March and as not to interfere with Beef Expo Sale cattle. These rules will be enforced.
