Dave Maples  
Kentucky Cattlemen's Association

## Online Bidding

Watch and bid online at [www.DVAuction.com](http://www.DVAuction.com).

This sale will be broadcast live on the internet.

**DVAuction**  
Broadcasting Real-Time Auctions  
Real time bidding & proxy bidding available.

## Sale Terms and Conditions

**TERMS:** Terms of the sale are cash or personal check. Each animal will be sold to the highest bidder. The auctioneer will settle any disputes as to bids. Settlement must be made promptly day of sale.

**PURCHASE:** Each animal will be at the purchaser's risk as soon as sold and can be moved only after settlement has been made. Animals may be left in the Pen Sale area until noon on the day after the sale.

**HEALTH:** Health papers will be furnished for each animal. Out-of-state buyers should be aware of any special requirements and/or permits of their respective states and shall be responsible for same.

### CONSIGNOR'S RESPONSIBILITY:

The seller is the responsible party for all representations made about his/her cattle.

**LIABILITY:** The management of the sale assumes no liability, legal or otherwise, but will endeavor to protect the interest of both the buyer and the seller.

**CHANGES:** Any changes from printed material will be announced sale day. Announcements from the sale block take precedence over anything printed in the catalog.

**PAPERS:** Registration papers will be transferred by sale personnel at no cost to the buyer, each buyer must be sure to give the clerk his proper name and address for transfers. All calves born after the sale are to be registered by the purchaser. NO AI SERVICE CERTIFICATES WILL BE FURNISHED BY THE SELLER FOR BRED FEMALES.

## Guarantees

**BREEDING:** All animals are guaranteed to be breeders (with the exception of):

- A. Injury or disease occurring after sale.
- B. Gross negligence or willful misconduct on the part of purchaser.

Cows with calves at side are presumed to be breeders with no further fertility guarantee.

**SAFE IN CALF FEMALES:** Have been examined by a competent veterinarian and are so guaranteed.

**OPEN FEMALES:** Have not been serviced and are so guaranteed.

## Options and Privileges of Return or Adjustment

1. All claims for adjustment or refund must be made in writing within six months of sale date to the seller.
2. In the event an animal is claimed to be a non-breeder, the animal may be returned to the farm of the seller in good condition and complying with health requirements of the seller's state. The seller shall be entitled to six months to prove the animal is a breeder. If the seller is unable to prove the animal is a breeder, the seller shall replace the animal with another of equal value or refund the full purchase price.
3. If the female sold as "safe in calf", proves not to be in calf within 60 days, the seller shall be obligated to make a satisfactory adjustment on the purchase price or refund the purchase price upon return of the animal to the farm of the seller.
4. Any expense incurred for transportation shall be the responsibility of the purchaser, except that the seller shall be responsible for transportation costs in excess of the distance between the purchaser's farm and the location of the sale.

Full set of rules are available upon request.

## WELCOME TO THE 2020 KENTUCKY FARM BUREAU BEEF EXPO

For the last 34 years, the Kentucky Farm Bureau (KFB) Beef Expo has served as a premiere showcase of some of the best beef cattle in the region, and this year will be no exception.

Whether you are buying, selling, showing or spectating, the expo is the place to be to see just how strong the cattle industry is in this state, and why Kentucky has become one of the top beef cattle producing states in the country, and certainly the largest east of the Mississippi.

We are very proud of that fact and are fortunate to be in a place where our producers take such great pride in being a part of one of the top sectors of our entire agricultural industry.

Over the years we have seen Kentucky's cattle industry, as a whole, grow in numbers and quality which not only benefits our cattle operations, but other ag sectors in our state, as well.

The cattle industry here represents 12 percent of the state's overall farm cash receipts of \$5.9 billion. With these kinds of numbers, it shows how important Kentucky's cattle farms are to the efforts of keeping our rural communities sustainable, and a vital component of the Commonwealth's economic development endeavors.

We hope you enjoy your time at this year's KFB Beef Expo, and we look forward to many more years as a top beef cattle marketing event in this state and the surrounding region.

Sincerely,

Mark Haney, President  
Kentucky Farm Bureau

## Kentucky Department of Agriculture

Dear Friends,

Welcome to the 34th Annual Kentucky Farm Bureau Beef Expo! Through the ups and downs of the beef cattle market, the Beef Expo has held steady, averaging a million dollars in annual sales over the last five years. We hope this year's event will be no different.

At the Beef Expo, cattlemen show and sell some of the best cattle in the country to buyers looking to upgrade their herd genetics or take home a show project. The leading beef cattle state east of the Mississippi River, Kentucky, truly is the place to be for the beef industry on the first weekend in March.

The Kentucky Department of Agriculture (KDA) is hard at work to help cattle producers succeed. The KDA seeks new domestic and foreign markets for Kentucky Proud agricultural products, and last year I named a longtime leader in Kentucky agriculture, Tim Hughes, to head up our trade efforts. The Office of the State Veterinarian works with our partners at USDA, Kentucky's two veterinary diagnostic laboratories, and private veterinary practice to protect Kentucky livestock and poultry from foreign animal diseases and eradicate disease outbreaks when they occur.

While you're in Louisville, we hope you'll take the time to enjoy Kentucky Proud foods in some of the dozens of restaurants in Louisville's nationally acclaimed local food scene.

Again, welcome, and best wishes on an enjoyable and successful Kentucky Farm Bureau Beef Expo. If I or any of my staff can be of service to you, please don't hesitate to ask.

Sincerely,

Dr. Ryan F. Quarles  
Kentucky Commissioner of Agriculture

2020 KENTUCKY FARM BUREAU  
MARCH 6 - 8, 2020

MAJOR CO-SPONSORS:

Kentucky Farm Bureau  
Kentucky Department of Agriculture,  
Ryan Quarles, Commissioner  
Meade Tractor

Welcome to the 2020 Kentucky Farm Bureau Beef Expo.

It is our sincere pleasure to welcome each of you to the 2020 Kentucky Farm Bureau Beef Expo, an event that showcases some of the best cattle across this great Nation. We are extremely honored to be a part of the Expo and to have the opportunity to sponsor the 22<sup>nd</sup> annual Pen Sale.

Since our inception, Meade Tractor has been focused on serving farmers. We started with 3 locations in Southwest Virginia and Northeast Tennessee in 2010. However, with the additions of great organizations like S.G. Wimmer & Sons, Conn's Service Center, London Farm Supply, Croushorn Equipment, Bevin's Motor Company and Limestone FLW, our history goes back to 1934. Just like the producers we serve, we take great pride in contributing to the success of the cattle industry in this great Commonwealth.

All Kentuckians should be proud of the facts that we are the largest beef cattle producing state east of the Mississippi and the eighth largest in the United States. With the genetics on display and the focus on Kentucky's beef cattle, it is easy to see how this event can draw interest from around the Nation.

We want to thank you for taking time to spend with us at the Expo. Whether you are selling, showing, buying or just stopping by the 34<sup>th</sup> KFB Beef Expo to see why we are so Kentucky Proud, we hope you find this an enjoyable experience.

Sincerely,

Chad Beasley  
Executive Vice President  
Meade Tractor
