WELCOME TO THE 2020 KENTUCKY FARM BUREAU BEEF EXPO

For the last 34 years, the Kentucky Farm Bureau (KFB) Beef Expo has served as a premiere showcase of some of the best beef cattle in the region, and this year will be no exception.

Whether you are buying, selling, showing or spectating, the expo is the place to be to see just how strong the cattle industry is in this state, and why Kentucky has become one of the top beef cattle producing states in the country, and certainly the largest east of the Mississippi.

We are very proud of that fact and are fortunate to be in a place where our producers take such great pride in being a part of one of the top sectors of our entire agricultural industry.

Over the years we have seen Kentucky's cattle industry, as a whole, grow in numbers and quality which not only benefits our cattle operations, but other ag sectors in our state, as well.

The cattle industry here represents 12 percent of the state's overall farm cash receipts of \$5.9 billion. With these kinds of numbers, it shows how important Kentucky's cattle farms are to the efforts of keeping our rural communities sustainable, and a vital component of the Commonwealth's economic development endeavors.

We hope you enjoy your time at this year's KFB Beef Expo, and we look forward many more years as a top beef cattle marketing event in this state and the surrounding region.

Sincerely,

Mark Haney

Kentucky Department of Agriculture

Dear Friends,

Welcome to the 34th Annual Kentucky Farm Bureau Beef Expo! Through the ups and downs of the beef cattle market, the Beef Expo has held steady, averaging a million dollars in annual sales over the last five years. We hope this year's event will be no different.

At the Beef Expo, cattlemen show and sell some of the best cattle in the country to buyers looking to upgrade their herd genetics or take home a show project. The leading beef cattle state east of the Mississippi River, Kentucky, truly is the place to be for the beef industry on the first weekend in March.

The Kentucky Department of Agriculture (KDA) is hard at work to help cattle producers succeed. The KDA seeks new domestic and foreign markets for Kentucky Proud agricultural products, and last year I named a longtime leader in Kentucky agriculture, Tim Hughes, to head up our trade efforts. The Office of the State Veterinarian works with our partners at USDA, Kentucky's two veterinary diagnostic laboratories, and private veterinary practice to protect Kentucky livestock and poultry from foreign animal diseases and eradicate disease outbreaks when they occur.

While you're in Louisville, we hope you'll take the time to enjoy Kentucky Proud foods in some of the dozens of restaurants in Louisville's nationally acclaimed local food scene.

Again, welcome, and best wishes on an enjoyable and successful Kentucky Farm Bureau Beef Expo. If I or any of my staff can be of service to you, please don't hesitate to ask.

Sincerely,

Ryan F. Quarles

We feel over the years we have consigned some pretty notable cattle to the KY Beef Expo- FWLY Big Time (the highest valued animal to ever sell at the KY Beef Expo) owned by Tubmill Creek, FWLY Purple Ribbon (the winningest Limousin female in the breed in 2017-18) owned by the Ratliff Family and most recently FWLY Can Do (the reigning National Gold Medal Lim-Flex Show Bull, owned with Logan Hills are 3 that come to mind. Cold Cash will hang with this group. His dam is one of the most consistent producers of high quality individuals we've ever owned. Crystal is a direct daughter of Direct Hit and is also the dam of our walking herdsire Caddie who is a full brother to Can Do. Cold Cash's sire is Primo, who has written volumes in production in multiple breeds. Study this young double black, double polled future herdsire's outline, then look at the ground and start up. Huge foot and boned, super correct in his structure, wide based and bodied, big barreled yet still chisel necked. Power in the blood. Retaining a 1/4 semen interest.

HB Gallagher is a homozygous polled, homozygous black, son of MAGS Cable, the top selling bull in the 2017 Magness fall sale. He combines calving ease and maternal with an outcross pedigree. 903G's dam, WLBL Avalon 608D ET was campaigned very successfully by Will Blaydes, being named supreme champion female at the 2019 Southeast Summer Classic, Champion Cow/calf 2019 Limousin Jr. National, KY State fair, along with many more. This bull is a powerhouse, and would be a great addition to any herd in the country!

This jet black moderate framed double polled heifer brings a lot of great things to the table. If you are looking for a show heifer- she will show in the summer division and can definitely hold her own with her added bone and belly, stoutness, and soundness of structure. The added bonus is that we feel she will go on and be very productive in the pasture when that time comes. Her Mags Zodiac dam did an excellent job as a first calf heifer with an ideal udder shape. Lots of possibilities with Lena. OCV
