### WELCOME TO THE 2020 KENTUCKY FARM BUREAU BEEF EXPO

For the last 34 years, the Kentucky Farm Bureau (KFB) Beef Expo has served as a premiere showcase of some of the best beef cattle in the region, and this year will be no exception.

Whether you are buying, selling, showing or spectating, the expo is the place to be to see just how strong the cattle industry is in this state, and why Kentucky has become one of the top beef cattle producing states in the country, and certainly the largest east of the Mississippi.

We are very proud of that fact and are fortunate to be in a place where our producers take such great pride in being a part of one of the top sectors of our entire agricultural industry.

Over the years we have seen Kentucky's cattle industry, as a whole, grow in numbers and quality which not only benefits our cattle operations, but other ag sectors in our state, as well.

The cattle industry here represents 12 percent of the state's overall farm cash receipts of \$5.9 billion. With these kinds of numbers, it shows how important Kentucky's cattle farms are to the efforts of keeping our rural communities sustainable, and a vital component of the Commonwealth's economic development endeavors.

We hope you enjoy your time at this year's KFB Beef Expo, and we look forward to many more years as a top beef cattle marketing event in this state and the surrounding region.

Sincerely,

Mark Haney, President  
Kentucky Farm Bureau

## Kentucky Department of Agriculture

Dear Friends,

Welcome to the 34th Annual Kentucky Farm Bureau Beef Expo! Through the ups and downs of the beef cattle market, the Beef Expo has held steady, averaging a million dollars in annual sales over the last five years. We hope this year's event will be no different.

At the Beef Expo, cattlemen show and sell some of the best cattle in the country to buyers looking to upgrade their herd genetics or take home a show project. The leading beef cattle state east of the Mississippi River, Kentucky, truly is the place to be for the beef industry on the first weekend in March.

The Kentucky Department of Agriculture (KDA) is hard at work to help cattle producers succeed. The KDA seeks new domestic and foreign markets for Kentucky Proud agricultural products, and last year I named a longtime leader in Kentucky agriculture, Tim Hughes, to head up our trade efforts. The Office of the State Veterinarian works with our partners at USDA, Kentucky's two veterinary diagnostic laboratories, and private veterinary practice to protect Kentucky livestock and poultry from foreign animal diseases and eradicate disease outbreaks when they occur.

While you're in Louisville, we hope you'll take the time to enjoy Kentucky Proud foods in some of the dozens of restaurants in Louisville's nationally acclaimed local food scene.

Again, welcome, and best wishes on an enjoyable and successful Kentucky Farm Bureau Beef Expo. If I or any of my staff can be of service to you, please don't hesitate to ask.

Sincerely,

Dr. Ryan F. Quarles  
Kentucky Commissioner of Agriculture

HB ANNIE 729E (3735465)  
WCR MISS ANNIE XT 3280A

We think this young Redemption daughter has a very bright future in the show ring and then in the pasture where it matters most. She has really good individual performance numbers being raised by an outstanding first calf heifer sired by Flashback. Many will remember her dam as being one of the high sellers in the HB Production sale as a baby. This baby Annie's granddam is also a star Donor cow. We like this heifer's added depth of body, her soundness, her pin width and eye appeal. We think she can be highly competitive in the ring especially in that summer division which is typically a little soft but she can handle the pressure in the end too.. The old saying of "there's power in the blood" holds very true on this young future money generator!

*This March heifer has many qualities to bring to the table. Both sire and dam come from a tried and true red angus herd of Sugar Creek Red Angus who has been in the cattle business for over 50 years. She is the half sibling to the 2018 Reserve Grand Champion Junior Red Angus Bull at the Kentucky State Fair and the 2019 Reserve Grand Champion Red Angus Bull at the Kentucky State Junior Show. This classy heifer has tons of volume and is structurally correct. This heifer can excel in the show ring and can be a great cow out in the field. Be sure to check out her half sister selling today as well!*

# Advocating for farmers, because they bring more to the table than food.

---

Since 1919, Kentucky Farm Bureau has been a steadfast advocate for farm families and rural communities across the Commonwealth who are the backbone of our economy and our way of life. As we move forward into our second century of service, we will continue to ensure the challenges and issues facing Kentucky agriculture are addressed by our leaders in Frankfort and Washington, DC. Why Farm Bureau? Because Kentucky farmers deserve a strong and unified voice.

4539 is another easy calving bull but in a power package. 4539 has the extra growth, muscle, and bone to add pounds to any cow herd, but with calving ease. 4539's grand dam is easily one of our best and most productive cows in our herd, in which we have retained each of her daughters.

Lot 30

# Bulls

This young herd sire speaks of calving ease with his low birth-weight and his head, neck and shoulder design. He is unfortunately the last of this mating that we have. We sold his dam, Yuma in the Western Heritage Sale at Denver. She is now in Arkansas, in the Satterfield donor battery. Ryder's individual performance suffered a bit from the start as his recip mother was not blessed with milk. This guy is coming on and being bred the way he is, along with his look and structural soundness, we think he will be a really good breeding bull. Sound legged and good footed, he has extra soundness and longevity. We also need to mention that this bull has not been pampered at all since weaning and has been running in a group of bulls of various breeds and he can fend for his own.

HB Gold Digger 936G is a yearling bull from the prominent Annie Cow family. If you are looking to add either performance or Style this bull fits the bill. Sired by the popular A.I. Sire H2R Profitbuilder B403 this bull has all the genetic merit to produce replacement females for years to come. As a standout of our yearling bulls we thought it was a must to put him in this sale. Be sure to find him on sale day.

Here is a big time herd bull prospect. This 9922 son is what we've come to expect from his sire year and year out. He's very complete, long bodied, really smooth in that shoulder, and should be a heifer bull deluxe. He ranks in the top 12% of the breed on his herd builder epd. He was spring bull calf champion at the TN State Fair and Reserve Champion bull at the TN State Red Angus Show in his only two shows last fall as a calf. Look for his picture and video on our Facebook page or our website a few weeks before the sale.

0C10 stacks Star 185M and Blockanna 692, two of our favorite cow families. The donor dam, 718 was the lead off heifer of a past NWSS Champion Pen of Three before topping the Mile High Classic. She is a maternal sister to the Triple Crown Feddes Blockanna 807. 0C10 is long bodied, moderate made nicely uddered female with a powerful heifer calf at side sired by Pelton Wideload 78B. This heifer calf has a bright future as both a show heifer and then productive cow.

EAR Copper Lass 170 Daughter

170 is one of our favorite cows in our program. Her daughter from two years ago was our sons show heifer and has been retained in the herd. The bull calf at her side is a great one. He has herd bull and show champion written all over him. This cow stamps the look into her calves and milks from a perfect udder. There is no doubt that the calf she is carrying will be of great value. Don't miss this pair.

## SALE TERMS & CONDITIONS

**TERMS:** Terms of the sale are cash, check or other terms agreed to in writing between seller, buyer and sale manager payable immediately upon conclusion of the sale before animals will be moved. Sale manager reserves the right to require certified check a settlement before releasing any cattle.

**PURCHASER'S RISK:** All animals are the owner's risk prior to their sale and become property of the purchaser as soon as declared sold by the auctioneer.

**BIDDING:** Any disputes or challenges regarding bids or tie bids will be settled by the auctioneer and his decision will be final.

**CERTIFICATE OF REGISTRY:** A certificate of registry for each animal will be transferred to the buyer at the seller's expense.

**ANNOUNCEMENTS:** Any errors or changes in information contained in the catalog will be announced from the block. Such announcements shall take precedence over the information contained herein.

**HEALTH:** All animals are eligible for interstate shipment. Interstate health papers prepared by an accredited veterinarian will be furnished on each animal sold. Arrangements for international shipment should be made with the sale manager prior to the auction. All efforts for the exportation for cattle can be arranged through the sale manager.

**BREEDING GUARANTEE:** All animals are guaranteed by the seller as outlined in the Red Angus Association of America Breeders Guide Sale Terms and Conditions.

**LIABILITIES:** All persons who attend the sale do so at their own risk. The seller, auction facility and sale manager assumes no liability for any accidents that may occur. Neither does the seller, auction facility or sales manager assume liability for the loss or injury to livestock due to theft, mysterious disappearance, sickness, improper handling or Act of God. It is to be clearly understood that the sale manager and its representatives act only as a medium between the buyer and seller. They are not responsible for in any way the failure on the part of the buyer or seller to live up to their obligations or for the part of the buyer or seller to live up to their obligations or for the truth of any warranties or representation, expressed or implied. Neither does the sale manager assume any financial obligations to collect or enforce collection of monies between parties. Any legal action that may in exceptional cases to be taken must be between the buyer and the seller. This catalog has pedigrees and information supplied by sources deemed reliable, however, the sale manager will in no way guarantee the pedigree, percentages of the animals selling, or data included in this catalog. Any expectations taken are between the buyer and seller.

**CONTRACT:** The above terms and conditions of sale shall constitute a contract between the buyer and seller or each animal and shall be equally binding upon both. Each sale or resale of an animal constitutes a separate transaction.

**MAIL BIDS:** Mail bids will be accepted.

**TELEPHONE BIDS:** Telephone bids will be taken by the sale manager or committee members. The sale day numbers are listed on the consigner page of this catalog.
