### WELCOME TO THE 2020 KENTUCKY FARM BUREAU BEEF EXPO

For the last 34 years, the Kentucky Farm Bureau (KFB) Beef Expo has served as a premiere showcase of some of the best beef cattle in the region, and this year will be no exception.

Whether you are buying, selling, showing or spectating, the expo is the place to be to see just how strong the cattle industry is in this state, and why Kentucky has become one of the top beef cattle producing states in the country, and certainly the largest east of the Mississippi.

We are very proud of that fact and are fortunate to be in a place where our producers take such great pride in being a part of one of the top sectors of our entire agricultural industry.

Over the years we have seen Kentucky's cattle industry, as a whole, grow in numbers and quality which not only benefits our cattle operations, but other ag sectors in our state, as well.

The cattle industry here represents 12 percent of the state's overall farm cash receipts of \$5.9 billion. With these kinds of numbers, it shows how important Kentucky's cattle farms are to the efforts of keeping our rural communities sustainable, and a vital component of the Commonwealth's economic development endeavors.

We hope you enjoy your time at this year's KFB Beef Expo, and we look forward to many more years as a top beef cattle marketing event in this state and the surrounding region.

Sincerely,

*Mark Haney*

## Kentucky Department of Agriculture

Dear Friends,

Welcome to the 34th Annual Kentucky Farm Bureau Beef Expo! Through the ups and downs of the beef cattle market, the Beef Expo has held steady, averaging a million dollars in annual sales over the last five years. We hope this year's event will be no different.

At the Beef Expo, cattlemen show and sell some of the best cattle in the country to buyers looking to upgrade their herd genetics or take home a show project. The leading beef cattle state east of the Mississippi River, Kentucky, truly is the place to be for the beef industry on the first weekend in March.

The Kentucky Department of Agriculture (KDA) is hard at work to help cattle producers succeed. The KDA seeks new domestic and foreign markets for Kentucky Proud agricultural products, and last year I named a longtime leader in Kentucky agriculture, Tim Hughes, to head up our trade efforts. The Office of the State Veterinarian works with our partners at USDA, Kentucky's two veterinary diagnostic laboratories, and private veterinary practice to protect Kentucky livestock and poultry from foreign animal diseases and eradicate disease outbreaks when they occur.

While you're in Louisville, we hope you'll take the time to enjoy Kentucky Proud foods in some of the dozens of restaurants in Louisville's nationally acclaimed local food scene.

Again, welcome, and best wishes on an enjoyable and successful Kentucky Farm Bureau Beef Expo. If I or any of my staff can be of service to you, please don't hesitate to ask.

Sincerely,

*Ryan F. Quarles*

Chuck Druin ..... 502-321-1160  
Jacob Miller ..... 502-507-4987  
Jeff Harrod ..... 502-330-6745

#### SALE LOCATION:

Kentucky Fair and Exposition Center.  
Located just across the Watterson  
Expressway (I-264) from the Louisville  
Airport at the junction of I-65 and I-264.

#### LOT NUMBERS:

The tags on animals will correspond with the  
lot numbers printed in this book.

#### HEALTH PAPERS:

Each lot will have an individual health  
certificate. Out of state buyers should be  
aware of any special requirements and/or  
permits of their respective states. The Expo  
veterinarian will be available to assist with  
permits.

#### DELIVERY:

Consignors will help with trucking  
arrangements as much as possible. Cattle  
need to be moved as soon as possible after  
the sale. All cattle must be out by Noon on  
Sunday, March 4th. Please make  
arrangements accordingly.

#### INSURANCE:

Mortality insurance is available on your  
purchases. Please check with the sale  
clerks.

**DVAuction**

Trully should be a sale feature. We are selling our entire heifer calf crop this year and have decided to sell one of our absolute best females in the KBE. She's young but that just adds to her value. She can and will show and you can have her for 2 show seasons! Her dam was selected by us here at Louisville at the KBE from LaFraise and she went on to be the Champion Female at the KY State Fair that summer. We believe Trully is much better than even her dam. Her sire is really stamping his progeny and should – being out of Templeton and the great Sweetheart 7M cow. This heifer calf is loaded with eye appeal, balance, muscle, body mass and huge boned yet she is still extremely long necked and pretty headed. An added bonus is she is sheep dog hairy for a Charolais. She will be oh soooo fun. Check the Long Hall Facebook for a picture as time gets closer to the sale.

Retaining a flush on this potential donor at the buyer's convenience.

*Long Hall Cattle Co., Clint & Kelly Hall, Hillsboro, Ohio*

Kolby is a July show prospect that is spectacular in her design. She possesses a great show ring front end being long necked and extra clean fronted. Couple that with her long deep side, level hip, and flexible rear leg and pasterns. This heifer offers great possibilities in the summer show division. She is sired by Rhinestone, which makes her a paternal sister to the reigning National Champion Bull, Carbon Copy.

What an opportunity here, this little lady is a full sister to the HF Kendall 1436 heifer that was just named Intermediate Champion Female at the National Show. Her dam D&D Kennedy 1430 was the Reserve National Champion Female at 2015 National Show. Kasey is sired by the Canadian bred Big Creek Game Changer bull. This heifer has lots of the same features as her sister. She is stout in her makeup and sound from the ground up. Lots of potential here.

This May show prospect is "old school cool" when it comes to pedigree. Sired by the National Champion Turton and her dam is a Smart Choice out of the Shoestring donor that M&M had such great calves by for years. Tula has a nice profile, beautiful head and neck with added muscle and bone. Her dam is still going strong and will be 14 this year! Tula has an outstanding disposition and should be one that goes on to make a profitable cow for years.

Her breeding status will be announced sale day. This soft made daughter of the maternal sire, LT Rushmore 8060, is a great senior yearling show prospect for the upcoming show season. Her good milking mother was a class winner at the American Royal in Kansas City. Kate is sound and correct in her in her design and is very free and fluid in her movement.

*LaFraise Farms, Steve Bertsche, Flanagan, Illinois*

**LOTS 12 - 14:** These three bred heifers are from the top of the replacement pen at Hayden Farms. James has spent 25 years developing his herd of charolais cattle. They are a no nonsense herd, they have to raise a big calf and get bred back to stay around. These heifers are bred to proven easy calving bulls. Good balanced EPD profile and sound individual performance. Buy these heifers with confidence. These heifers will be in the pen section of the sale area.

Bred 7/19/19 to LaFraise Outback 18E, EM910316 and is safe in calf due 4/30/19.

Hailee is a super stout made daughter of the great producing bull, SHF Rehab 8104. She has tremendous thickness and is stout boned and big footed, but still remains super feminine and attractive in her design. She has the genetic build to work exceptionally well as either a producer of top quality purebred seedstock or to be a force in the club calf industry. She comes from our Marie cow family that has a reputation for producing great milking mother cows. She is due in April to our outstanding Outsider son, Outback 18E. A full sister to Outback was Third Overall Female in the Bred and Owned Show at the 2019 National Junior Heifer Show in Fort Worth.

Bred 7/14/19 to LaFraise Outback 18E, EM910316 and is safe in calf due 4/25/20.

Kehlani is a square hipped, big footed daughter of the Shaffer Charolais herd sire, SHF Rehab 8104. Rehab has been a sire of show ring champions for the Shaffer's and is also the sire of the popular Cattle Visions promotion bull, SHF Addiction 1609. Kehlani's Ledger mother is one of the prettiest uddered females we own. This exceptional brood cow prospect is due in April to LaFraise Outback 18E. Outback is from the Baldridge Sweetheart 7M cow family that has produced so many show ring winners and sale ring toppers for Wright Charolais in Missouri.

Bred 7/4/19 to LaFraise Outback 18E ET, EM910316 and is safe in calf due 4/15/20.

This beautifully constructed daughter of the \$125,000 WC Milestone 5223 has a great brood cow look to her. She is long fronted and angular, with a nice swoop to her belly that gives her a strong maternal look. Her dam is one of our stoutest made, heaviest milking females. Her mother is a former Illinois State Fair Grand Champion and National Junior Heifer Show division champion female. She is due in April to our herd sire LaFraise Outback 18E. He is an outstanding Outsider son out of our great donor cow, M&M Ms Fire Water 4017.

I just recently saw this cow in production and the pictures of her don't do her justice. She has a beautifully constructed udder and you can tell by the calf at side she is pouring the milk – so the EPDs are right on this girl. This cow is just getting started, she's the kind that will get more valuable as time goes on. This mating has no guesswork, proven on both sides. Expect Greatness.

My good friend found this heifer in a sale in Iowa. He said she would turn into a powerhouse of a cow and he was right. Super thickness and stout. We bought her to infuse some outcross genetics into our donor pen. Her first calf was the highest performing of our first calf heifers. This flush with 100 Proof should produce some show champions. It's all here to get a good one for the Junior National in 2021 in Georgia.

This mating is one of those can't miss opportunities. The dam of these embryo's is a super stout, heavy milking daughter of President that is at the top of Candy's donor pen. The sire is the legendary LHD Cigar that has sired over 3,800 progeny. The semen is in limited supply, so don't let this opportunity get by to own a Cigar.

# Advocating for farmers, because they bring more to the table than food.

---

Since 1919, Kentucky Farm Bureau has been a steadfast advocate for farm families and rural communities across the Commonwealth who are the backbone of our economy and our way of life. As we move forward into our second century of service, we will continue to ensure the challenges and issues facing Kentucky agriculture are addressed by our leaders in Frankfort and Washington, DC. Why Farm Bureau? Because Kentucky farmers deserve a strong and unified voice.
