- Take a look at this complete, big boned, square hiped, nice bodied October heifer. She has the looks but also the genetics to end up in the donor pen one day. She is super nice at the ground and gets out and goes with confidence. Great hair and exceptional fronted. Champion Hill genetics are becoming harder and harder to find.

- DBF Blackbird 9905 is a really cool made prospect. She blends the popular Silveiras S Sis GQ 2353 with the outstanding TC Blackbird cow family that originated in the TC Ranch program in Nebraska. Blackbird 9905 comes from one of our best young cows, TC Blackbird 4104, has always been a consistent producer for us. We try to bring our best fall heifer calf every year to the sweepstakes, 9905 is no exception. Her dam has an outstanding EPD profile. 4104 ranks in the top 2% \$B, 1% \$F, 15% for WW, & RE; top 10% YW & DOC. This mating should give a junior member the chance to have a really good show heifer and even more important have a cow to make money with after her show career. 9905 is one not to overlook!

- Pure Pride 919 is a PVF Insight daughter out of a Boyd Beef cattle bred Saugahatchee 3000C dam raised in the Heritage herd and tracing back to Gibbet Hill Pure Pride CF 90 cow. Insight sires deep-bodied, well balanced cattle with added muscle shape and dimension and 919 shows that. Juniors these fall calves give you the opportunity to show your purchase for 3 years as a calf, a yearling and maybe a cow calf pair.

Henrietta Pride 351G is a fancy September heifer calf that has all the style she can handle while having the structural integrity needed for a unique breeding piece. Big footed, deep sided, and big hip, she is a reflection of the Henrietta Pride family while blending the extension and balance we have seen from our 316 contemporaries. This young female is one that is hard to fault and offers potential buyers many directions with her phenotype and pedigree.

Pay attention here folks! This one is really, really impressive. She ties together massive bone work, an extra attractive neck and shoulder, big belly, and fancy hip and hind leg to create an extremely attractive presence. Missie produced the two most popular open heifers at this event last year with two flushmate fall babies by Surveillance. One was named Grand Champion Female of the show and sale for Burks' and the other was the high-selling open heifer of the sale for us and went on to have an awesome Spring and Summer for Sayde Lowe, most notably being Champion Angus and Reserve Supreme Female at the MSU Block and Bridle Jackpot, and winning her division in both the junior and open shows at Kentucky Preview. This one certainly has what it takes to fill the big shoes of her sisters at this event last year!

• This featured May daughter of TGM Compton 1738, a son of Style, out of a full sister to First Class, has the thickness, bone, mobility and look not seen in many Angus bulls today. Compton certainly passes these traits to his off-spring. Barbara 9102 is the best daughter of Compton that has been offered for sale. SAF Barbara 9102 stems back to SAF Barbara D062, the Insight daughter that produced the Grand Champion Angus Steer at the Kentucky State Fair. This exceptional May show heifer deserves your full attention.

• A powerful daughter of R&K OB Conversation 601. He was the Intermediate Division Champion Bull at the 2017 National Junior Angus Show and Supreme Champion Bull at the 2017 Kentucky State Fair. She is long fronted, long hiped, big ribbed with lots of power. The first daughter out of 601 was Division Champion at the 2019 Kentucky State Fair. The dam of Lot 16, Champion Hill Georgina 8803, is an outstanding Hesston daughter that was a Division Champion at the 2016 Kentucky State Fair. If you're looking for one that can compete, this one will be strong in the summer division.

• A real neatly designed heifer here. I've always thought this one had all the pieces to make an incredibly nice show heifer as a yearling. Fresh, attractive, and really starting to come into her own, I believe this one will continue to get better.

• Backed by a 9-year-old Bismarck donor dam, this one should make an excellent female in production once you get done winning with her this summer! The 7730 cow has produced a couple really nice heifers, and consistently produces many of the most powerful, phenotypically pleasing bulls calves we raise year in and year out.

• An outstanding April from our first-class donor that is a maternal sister to Insight. This female truly offers as much versatility as any in the offering. Extremely powerful at the ground, big ended, and robust through her center body, while still maintaining enough presence and neatness through her front end to make a very competitive show heifer. Past that, one look at this pedigree should ensure that great things are in the cards when this one hits production. Maternal legends, and breed leading, dollar generating females abound here! Great attitude on this one, as she would make a great heifer for any aged showman.

This February Bismarck daughter is big bellied, big boned and super attractive through her front third. This one will make a nice show heifer if you should choose to go that route, but her most valuable days will be in production! The dam is a 10-year-old Net Worth daughter that has had a quality calf every single year. Putting Bismarck on that cow has made one that should produce for her new owner for years to come. With Bismarck semen getting harder and harder to find, and an outstanding producer on the bottom side, take note here if you need to add some outstanding genetics that have stood the test of time.

- Queen 8913 is an outstanding show bred heifer. She is in the top 25% for CED, BW, WW & YW. Queen 8913 is very deep and long bodied heifer. She is easy keeping and has a great attitude.
- Lucy had a lot of fun and success showing her this past season. Queen 8913 and her dam were chosen Grand and Supreme cow/calf at numerous shows in 2019. Her dam DBF Erica BJB 6913 is an ideal first calf heifer. She has an almost perfect udder and is very sound. Queen 8913 is built and bred to make a front pasture field kind of cow that should last for many years. Be sure to look her up!

- Females like 840D are why PVF Insight 0129 continues to be one of the most popular bulls in the breed. 840D is big bodied, heavy muscled and structurally correct wrapped up in an eye pleasing package and in production has a beautiful udder. A full sister was the Champion cow in The 2018 Sweepstakes and a \$6500 selection by our friend Mackie Hall for his M&R Angus Farm, Montgomery, AL. We bred 840D in the Fall of 2018 with sexed heifer semen with the plan in mind of her being our cow/calf pair entry in the 2020 Sweepstakes. We just didn't plan on her laying down and having twin heifer calves. Although they may be slightly behind, I think you will be impressed with the job this 3-year-old has done raising two beautiful heifer calves. As a 2-year-old 840D raised a heifer calf that weaned at 614 lbs. to ratio 108.

- The second of two heifers tracing back to BRF Forever Lady 115L x 9929 and out of Bon View New Design 878 one of the best maternal bulls in the history of the Angus breed. 2618 878 is also thick made, sound footed and an excellent, excellent cow prospect. She is bred to SAV RAINFALL 6846 for an early fall calf. Rainfall progeny will highlight the 2/8/2020 Schaff Angus Valley sale where at \$460,000 he was the second high-selling bull in the 2017 sale. Rainfall is a calving ease sire with cowmaker credentials, carcass quality, capacity and phenotype. This heifer will make a cow.

• A son of Southern Charm, the popular sire at ABS/ORigen that records a top 4% \$B, 5% \$G, and 10% MARB & RE. ARF LADY 4035, the dam of Lot 44, is a monumental Sweepstakes success story. She was the Late Junior Heifer Calf Champion for Caleb Sadler at the 2014 Sweepstakes where she sold to Tyler McGinnis for \$6,000. Tyler successfully campaigned her in 2014 when she was the Reserve Grand Champion of the All-American Futurity and Grand Champion of the Kentucky State Fair Open Show.

• The pedigree and phenotype found in 289G makes him a standout selection for a young herd sire. Another Legacy Farm consignment out of a first calf heifer, 289G combines Brookings genetics with the ever popular LD Capitalist 316. This is an easy calving ease sire selection that gives an excellent growth spread while being impressive in how sound structured and powerfully made he is. This bull keeps putting on more mass and getting better by the day. We have been impressed with the consistency in our LD Capitalist 316 offspring and this lot is no exception. Cost share eligible.

JUNIORS!

Did you know that if you purchase a heifer in the Sweepstakes and show her on Sunday in the Beef Expo Junior Show, we will pay your entry fee and you will share in the \$600 premiums set aside for only heifers purchased in the Sweepstakes? Couple this with your chance to win from \$25 up to \$1,000 in the Jackpot Show, and you could have quite a day!

SWEEPSTAKES PURCHASE AWARDS

A special feature of the Sweepstakes will be the registration of Juniors for four \$200 awards, to be used toward the purchase price of any animal purchased by that junior in the Sweepstakes sale. The names of all juniors who register will be placed in a container and four names will be drawn just prior to the sale. If any of the juniors' names that are drawn purchase an animal in that sale, he/she will receive a \$200 credit toward the purchase of that animal. Registration will begin at 9 a.m. and continue until 11:30 a.m. Saturday. YOU MUST BE PRESENT AT THE TIME OF THE DRAWING TO WIN, and the awards are non-transferrable. Any animal purchased with one of these awards would receive double premium funds if consigned to a future Kentucky Angus Sweepstakes.

Welcome to the 64th Annual Kentucky Angus Sweepstakes Show and Sale to be held on March 6 & 7, 2020 at the Kentucky Exposition Center in Louisville, Kentucky. As an event, the Sweepstakes has grown and prospered because it fills a market niche for sellers and buyers alike. Kentucky Angus breeders, large and small, have the opportunity to market the products of their respective programs, while buyers have available an excellent selection of competitive show heifers, bred heifers, cows/calves and/or bulls that will make great additions to their respective herds.

The 2020 offering will once again include a set of show prospects which should be quite competitive in the coming show season. Remember, that an entry from a past Kentucky Sweepstakes included a heifer that went on to be the Reserve Grand Champion Heifer of the All-American Angus Futurity and the Grand Champion Heifer of the Kentucky State Fair Open Show.

Another part of the weekend which you will not want to miss is the Kentucky Angus Association Awards Banquet on Friday evening. The Sweepstakes champions will be formally recognized, and the Kentucky Angus Association annual awards recipients will be announced. The Juniors have always been a top priority with the Kentucky Angus Sweepstakes. Just over 1/4 of the entries in the 2020 Kentucky Angus Sweepstakes are junior-owned and we will select Junior Owned champions at the conclusion of the open show. The Sweepstakes annually designates \$1200 in premiums solely for purchasers of heifers from the Sweepstakes Sale that are subsequently exhibited in the Kentucky Beef Expo Jr. Show and/or the Kentucky Angus Preview Show. Please note the schedule for the Kentucky Beef Expo Jr. Show this year (page 9). All juniors are also eligible to register for four \$200 purchase awards, see page 13 for details.

The Sweepstakes is part of the 34th Annual Kentucky Farm Bureau Beef Expo which features shows and sales of 11 breeds plus one all breed and commercial female sale. Approximately 400 head will sell under one roof on Saturday, March 7, 2020. A great deal of the funds required to operate the Expo come through the Kentucky Department of Agriculture through the Kentucky National Program, and again this year we are pleased to welcome The Kentucky Farm Bureau as the major corporate sponsor of the Expo. Please express your gratitude to the representatives of these two organizations. The Expo in its' current form would not be possible without their manpower and financial support.

Give me a call if I can help you in any way pertaining to this event. I will be in Louisville from Wednesday, March 4 through Sunday, March 8. I will look forward to seeing you there.

Sincerely,

Tim Dievert, Sale Manager
