Welcome to the 2021 Kentucky Farm Bureau Beef Expo

As we celebrate the 35th year of the Kentucky Farm Bureau Beef Expo, we pause to remember all our farm families who have been affected by the COVID-19 pandemic over the past year.

It has been a tough one for many of us in the agriculture industry. But it has also been a time to seek new opportunities and be reminded of the blessings we still enjoy. One of those many blessings includes the wonderful cattle industry we have in this state.

Because of the hard work and dedication shown to this sector by producers throughout the Commonwealth, we are proud to know Kentucky has become one of the top beef cattle producing states in the country, and certainly the largest east of the Mississippi.

The Kentucky Farm Bureau Beef Expo is a premiere showcase of some of the best beef cattle anywhere, and an indicator of the quality cattle being produced in this state; a sector which represents 12 percent of the state's overall farm cash receipts of \$5.5 billion.

We hope your time spent at this year's Beef Expo is productive whether you have come to show, sell, or spectate, and we look forward to another great year as one of the premiere beef cattle marketing events in this region of the country.

Sincerely,

Mark Haney
President

Kentucky Department of Agriculture

Dear friends,

I would like to welcome you to the 35th Annual Kentucky Farm Bureau Beef Expo. After a crazy 2020 that saw many events disrupted, I am grateful for the opportunity to participate once again in this staple of Kentucky's agriculture calendar.

Every year at the Beef Expo, Kentucky cattlemen show and sell some of the best cattle in the country to buyers looking to upgrade their herd genetics or take home a show project. This event is truly the place for the beef industry on the first weekend in March.

Over the years, we've seen ups and downs in the beef cattle market and 2020 was no exception. The coronavirus brought incredible pressures on our food and agriculture sectors and had negative effects on market prices. In many ways, we are still fighting with some of the effects of those pressures, including long waitlists and backlogs at meat processors across the country. For our part in Kentucky, we worked quickly through the Kentucky Agricultural Development Fund (KADF) to develop a meat processing expansion program that has dedicated more than \$3.5 million of tobacco settlement and CARES Act dollars. While a lot of work remains, I believe that these investments are critical to the future of Kentucky, the largest beef cattle state east of the Mississippi River.

In addition to our work to support our cattle industry during the pandemic, the Kentucky Department of Agriculture (KDA)'s Office of State Veterinarian continued working with USDA, Kentucky's two veterinary diagnostic laboratories, and private veterinary practice to protect Kentucky livestock and poultry from foreign animal diseases and eradicate disease outbreaks. We also welcomed a new state veterinarian in Dr. Katie Flynn and a new deputy state veterinarian in Dr. Alex Hagan. Odds are you may see them here at the Beef Expo and I hope you will make them feel welcome in their new roles. And critically, our Division of Shows and Fairs continued supporting shows like this one all through the pandemic. Please join me in thanking them.

More so than usual, a lot of work went into making this event possible in this year. Be sure to thank the hardworking Kentucky Venues staff when you see them. However, the best way you show your gratitude is by following public health guidelines while at the Exposition Center. We appreciate you helping us make the Beef Expo safe.

Again, welcome, and best wishes on an enjoyable and successful Kentucky Farm Bureau Beef Expo. If I or any of my staff can be of service to you, please don't hesitate to ask.

Sincerely,

Ryan F. Quarles

Dr. Ryan Quarles

SALE LOCATION:

Kentucky Fair and Exposition Center.
Located just across the Watterson
Expressway (I-264) from the Louisville
Airport at the junction of I-65 and I-264.

LOT NUMBERS:

The tags on animals will correspond with the
lot numbers printed in this book.

HEALTH PAPERS:

Each lot will have an individual health
certificate. Out of state buyers should be
aware of any special requirements and/or
permits of their respective states. The Expo
veterinarian will be available to assist with
permits.

DELIVERY:

Consignors will help with trucking
arrangements as much as possible. Cattle
need to be moved as soon as possible after
the sale. All cattle must be out by Noon on
Sunday, March 7th. Please make
arrangements accordingly.

INSURANCE:

Mortality insurance is available on your
purchases. Please check with the sale
clerks.

KENTUCKY FARM BUREAU BEEF EXPO MARCH 5-7, 2021

KENTUCKY EXPOSITION CENTER COVID-19 ANNOUNCEMENTS & WAIVER

Everyone entering the facility will be required to submit a signed Covid Waiver with a name and phone number as a part of the registration procedures.

Participants will not be allowed to enter the facility unless they can attest (with a written, signed document) that they have not been to a state that has a COVID-19 positivity rate equal to or greater than 15% 14 days prior to the date of their scheduled arrival time or have quarantined for at least 10 days prior to arrival.

Upon first arrival to Kentucky Exposition Center, all participants –consignors and buyers – must turn in COVID-19 waivers and Out of State Travel Advisory Form (*for out of state participants*) at Lot V noted in the map above. Also in Lot V, all participants will pick-up their gate credentials. After completing this process, please enter the Kentucky Exposition Center using Gate 1.

Badges and/or wristbands will be required to gain access to the facility and must be worn at all times. Face masks/coverings will be required for everyone in attendance. This includes while showing in the show rings. Social distancing must be observed throughout the event including prep areas, at the gate and while in the show ring. Be sure groups are limited to less than 10 people at all times. Avoid unnecessary contact [handshakes, etc.] with other participants. Use sanitary methods when coughing or sneezing. Any person showing symptoms of COVID-19 or have been in contact with someone that has tested positive should refrain from participating in the events.

Complete COVID-19 response details and forms: www.kybeefexpo.com

SEASONS OF CHAROLAIS PRINT WHITE ON WHITE BY C.J. BROWN

The AUCA Junior National Show & Leadership Conference is coming to the Southeast! To support the event, the Kentucky Charolais Association has donated print #13 of the winter scene 'White on White' of the American Charolais Foundation commissioned series 'Seasons of Charolais.' The original artwork by C.J. Brown sold at the 39th National Sale to Eaton Charolais, Montana for \$5,500. All proceeds of this lot benefit the 2021 Junior National. Make plans to join us this summer for 'It's a Southern Tradition' in Perry, Georgia, June 20-25.

Randi originated at Thomas Ranch and came to notoriety in the pasture just north of town in Highmore, SD for the Effling family. Daughters of Randi have sold extremely well fetching prices of \$40,000, \$25,000, \$20,000 \$17,000, \$16,000 and \$15,000. Many of these high selling females were sired by Outsider and would be full sibs to the embryos offered. She has been a highlight in Embryos on Snow both as a Donor in the past and as the dam of this year's live lot, CAG TR Effective 0607H, commanding a \$100,000 price tag for half interest. Take advantage of this many time proven matting and likely the last opportunity to purchase these. Embryos made at and will ship from Yackley's Trans Ova, Onida, SD. Guarantee (1) 60-day pregnancy if transfers must take place in one calendar year of the sale date and transfers are performed by a licensed embryologist.

A package of 3 conventional embryos out of CCF Ms Bud 904P ET and the extremely popular M&M Outsider bull. I bought 904 as a calf from Tom Cannon and have I ever been satisfied! This cow has produced so many calves for me; a bunch are in production at my place today. Ms Bud had a very successful show career, but has made an even better cow. She averages eighteen #1 embryos per flush. Mated to Outsider has been a very good match. Guarantee of 1 pregnancy if implanted by a certified technician. Embryos will be on location sale day.

This young Resource female gets the blood pumping. Check out the power on her dam's side of the pedigree – Grid Maker and Free Lunch. Both proven maternal giants in the breed. When I sorted through the fall calf crop at Arrowhead, this was one that really got my attention. I love her build in terms of true muscle, still elegant fronted and sound at the ground. She will run hard in the fall calf division and as an added bonus she could actually show two seasons – almost a 2 for 1 deal. Have fun showing her and then let her get down to business.

Heifers like Vanna are hard to part with. The only reason we even considered putting her in this year's sale is we have a full sister to her already in production. Vanna's dam is still going strong at 17 years of age, so this heifer is bred to be around a while. Vanna is very flashy, she has an ultra feminine look and a sound structure. This heifer will show for two seasons and go on to be a great cow.

You know when you see an animal with a lot of prefixes they have to be good... well that's not always true but on this standout it is. Her dam came from the high powered Eggleston program and was a past breed champion at the KY Beef Expo for the Mears family. The ET mating to Resource just added a little more power, shape, and head and neck refinement. This female retains her dam's good look and soundness. Plan on showing this female a lot. Her attitude is kid friendly and she will soon make her way to a donor lot.

Polly is sired by the Junior herdsire for Doub Charolais, SHF Power Up. He is siring the right kind of cattle. Polly is moderate framed and super sound. Her dam sired by RBM Rhinestone has a picture perfect udder and poured the milk. Polly is halter broke and has a kid friendly disposition. Dont forget the Charolais Junior National is in Perry, Georgia this year. Polly will be very competitive in that Spring division.

Another heifer out of my Rockmont 402 bull. Study her dam's pedigree closely; she goes back to the Thomas Ranch program. This heifer has a very sweet disposition if you are looking for a female to show. 2023 may not be the biggest heifer in your pasture, but she will be one of the most attractive. **ALL of the proceeds from this heifer will go directly to the Keiley Banfield Endowment Fund at NC State.** We will be presenting a Junior with a scholarship this summer; so this money will be used to help a young person this fall.

Guess your wondering why we named this heifer peanut, just take a look at her BW she only weighed 62 lbs so we call her peanut. She is out of a young bull we raised that is doing an outstanding job so far. He is homozygus polled and a true heifer safe Charolais bull. Peanut goes back to the BPC Miss Montana cow that produced a lot of high sellers for us. She will make an awesome cow and might even show a little if you want.

2015's sire is a home grown bull out of the heavily used Milestone bull and a very nice Rio Bravo daughter. Her sire has tremendous thickness yet still exemplifies a nice smooth pattern. The Covergirl cow family needs no introduction to Charolais enthusiasts. Her dam has the most beautiful udder of any cow around. This is a heifer that I had planned to keep, but I really need to reduce my herd size. I hope that you appreciate her as much as I do.

Missy Marie has proven herself as a female that can raise good ones since we purchased her. She stamps her calves with her good phenotype. This own daughter of Rapid Fire gets the job done and her dam was a past high seller at the KBE. A daughter was purchased by the Schwab Family of Indiana to show and to go into their club calf program. Her last son by Resource was sold to a commercial herd and she has knocked it out of the park with her intriguing herd sire prospect at side.

She sells bred back and safe to LHC Blue Dog 7043 Pld - the LHC and Vaughan Charolais of Derby, KS exciting young herd sire. Due 9-1-2021.

Here's a great opportunity to get in on a young herdsire that has the look and performance to add to any herd. His sire, Blue Dog has really created excitement for the Vaughan's and us with just his first calf crop. Show this guy a few times and win some banners and turn him out and make some babies with grow and eye appeal. We think he has a really high ceiling on what he can do for a program.

15G4 is an exciting young sire prospect. This guy is out of the same dam as the 2020 NAILE Champion and 52nd Reserve National Champion at OKC Cattlemen Congress, GHCC All IN. A product of the first flush we did on our up and coming donor CRG Ms Canada 15D who not only proved herself in the ring by being named Champion Female at the 2017 Junior National and winning her divisions at NAILE & NWSS but is quickly proving she has what it takes in production with her first two flushes bringing in over \$20,000 on just 3 head sold with one being a full sister to 15G4 who was a \$8,600 highlight in Schaffer and Tice's fall born sale this past year. Not only does this guy have a power backed pedigree behind him, but he is impressive in his phenotype; good looking with tons of power and length all while not giving up any in terms of body and soundness. Take a look at his picture or come see him at Expo. I think you will agree this guy does a lot of things right at a high level.

ADVOCACY

LEADERSHIP

SERVICE

Advocating for farmers, because they bring more to the table than food.

Since 1919, Kentucky Farm Bureau has been a steadfast advocate for farm families and rural communities across the Commonwealth who are the backbone of our economy and our way of life. As we move forward into our second century of service, we will continue to ensure the challenges and issues facing Kentucky agriculture are addressed by our leaders in Frankfort and Washington, DC. Why Farm Bureau? Because Kentucky farmers deserve a strong and unified voice.
