## Online Bidding

Watch and bid online at [www.DVAuction.com](http://www.DVAuction.com).

This sale will be broadcast live on the internet.

**DVAuction**  
Broadcasting Real-Time Auctions  
Real time bidding & proxy bidding available.

## Sale Terms and Conditions

**TERMS:** Terms of the sale are cash or personal check. Each animal will be sold to the highest bidder. The auctioneer will settle any disputes as to bids. Settlement must be made day of sale.

**PURCHASE:** Each animal will be at the purchaser's risk as soon as sold and can be moved after settlement has been made. Animals may be left in the Pen Sale area until noon on the day after the sale.

**HEALTH:** All the cattle will be accompanied by the proper health certificate for immediate shipment. Out-of-state buyers should be aware of any special requirements and/or permits of their respective states and shall be responsible for same.

### CONSIGNOR'S RESPONSIBILITY:

The seller is the responsible party for all representations made about his/her cattle.

**LIABILITY:** The management of the sale assumes no liability, legal or otherwise, but will endeavor to protect the interest of both the buyer and the seller.

**CHANGES:** Any changes from printed material will be announced sale day. Announcements from the sale box take precedence over anything printed in the catalog.

**PAPERS:** Registration papers will be transferred by sale personnel at no cost to the buyer, each buyer must be sure to give the clerk his proper name and address for transfers. All calves born after the sale are to be registered by the purchaser. NO AI SERVICE CERTIFICATES WILL BE FURNISHED BY THE SELLER FOR BRED FEMALES.

## Guarantees

**BREEDING:** All animals are guaranteed to be breeders (with the exception of):

- A. Injury or disease occurring after sale.
- B. Gross negligence or willful misconduct on the part of purchaser.

Cows with calves at side are presumed to be breeders with no further fertility guarantee.

**SAFE IN CALF FEMALES:** Have been examined by a competent veterinarian and are so guaranteed.

**OPEN FEMALES:** Have not been served and are so guaranteed.

## Options and Privileges of Return or Adjustment

1. All claims for adjustment or refund must be made in writing within six months of sale date to the seller.
2. In the event an animal is claimed to be a non-breeder, the animal may be returned to the farm of the seller in good condition and complying with health requirements of the sellers' state. The seller shall be entitled to six months to prove the animal is a breeder. If the seller is unable to prove the animal is a breeder, the seller shall replace the animal with another of equal value or refund the full purchase price.
3. If the female sold as "safe in calf", proves not to be in calf within 60 days, the seller shall be obligated to make a satisfactory adjustment on the purchase price or refund the purchase price upon return of the animal to the farm of the seller.
4. Any expense incurred for transportation shall be the responsibility of the purchaser, except that the seller shall be responsible for transportation costs in excess of the distance between the purchaser's farm and the location of the sale.

Full set of rules are available upon request.

### Welcome to the 2021 Kentucky Farm Bureau Beef Expo

As we celebrate the 35th year of the Kentucky Farm Bureau Beef Expo, we pause to remember all our farm families who have been affected by the COVID-19 pandemic over the past year.

It has been a tough one for many of us in the agriculture industry. But it has also been a time to seek new opportunities and be reminded of the blessings we still enjoy. One of those many blessings includes the wonderful cattle industry we have in this state.

Because of the hard work and dedication shown to this sector by producers throughout the Commonwealth, we are proud to know Kentucky has become one of the top beef cattle producing states in the country, and certainly the largest east of the Mississippi.

The Kentucky Farm Bureau Beef Expo is a premiere showcase of some of the best beef cattle anywhere, and an indicator of the quality cattle being produced in this state; a sector which represents 12 percent of the state's overall farm cash receipts of \$5.5 billion.

We hope your time spent at this year's Beef Expo is productive whether you have come to show, sell, or spectate, and we look forward to another great year as one of the premiere beef cattle marketing events in this region of the country.

Sincerely,

*Mark Haney*

## Kentucky Department of Agriculture

Dear friends,

I would like to welcome you to the 35th Annual Kentucky Farm Bureau Beef Expo. After a crazy 2020 that saw many events disrupted, I am grateful for the opportunity to participate once again in this staple of Kentucky's agriculture calendar.

Every year at the Beef Expo, Kentucky cattlemen show and sell some of the best cattle in the country to buyers looking to upgrade their herd genetics or take home a show project. This event is truly the place for the beef industry on the first weekend in March.

Over the years, we've seen ups and downs in the beef cattle market and 2020 was no exception. The coronavirus brought incredible pressures on our food and agriculture sectors and had negative effects on market prices. In many ways, we are still fighting with some of the effects of those pressures, including long waitlists and backlogs at meat processors across the country. For our part in Kentucky, we worked quickly through the Kentucky Agricultural Development Fund (KADF) to develop a meat processing expansion program that has dedicated more than \$3.5 million of tobacco settlement and CARES Act dollars. While a lot of work remains, I believe that these investments are critical to the future of Kentucky, the largest beef cattle state east of the Mississippi River.

In addition to our work to support our cattle industry during the pandemic, the Kentucky Department of Agriculture (KDA)'s Office of State Veterinarian continued working with USDA, Kentucky's two veterinary diagnostic laboratories, and private veterinary practice to protect Kentucky livestock and poultry from foreign animal diseases and eradicate disease outbreaks. We also welcomed a new state veterinarian in Dr. Katie Flynn and a new deputy state veterinarian in Dr. Alex Hagan. Odds are you may see them here at the Beef Expo and I hope you will make them feel welcome in their new roles. And critically, our Division of Shows and Fairs continued supporting shows like this one all through the pandemic. Please join me in thanking them.

More so than usual, a lot of work went into making this event possible in this year. Be sure to thank the hardworking Kentucky Venues staff when you see them. However, the best way you show your gratitude is by following public health guidelines while at the Exposition Center. We appreciate you helping us make the Beef Expo safe.

Again, welcome, and best wishes on an enjoyable and successful Kentucky Farm Bureau Beef Expo. If I or any of my staff can be of service to you, please don't hesitate to ask.

Sincerely,

*Ryan F. Quarles*
