# **TERMS & CONDITIONS**

## ***Load Out***

After settlement the animals purchased will need to be removed from the facility on Saturday, March 2nd by dark unless arrangements are made with sale management prior to the sale.

## ***Health***

All cattle will be accompanied with health papers for shipment anywhere in the continental U.S.

## ***Supplement Sheet***

The supplement sheet and announcements from the auction block take precedence over the catalog.

## ***Liability***

All persons attending the sale do so at their own risk. Sale participants and/or the sale management assumes no liability for accidents, theft or damages occurring at the sale facility.

## ***Trucking***

Transportation for the cattle can be arranged after the sale. Please contact the sale management prior to the sale to discuss your transportation needs.

## ***Terms & Conditions***

All cattle will be sold at auction under the standard terms and conditions recommended by the American Gelbvieh Association. A copy of this may be obtained from the AGA or Slaughter Sale Management. Terms of the sale are cash or check at the conclusion of the sale unless prior arrangements are made.

Ms S & S Go Time 354L is sired by the 2022 People's Choice Balancer Bull Futurity Champion Go Time 781J. She's a true breeding piece. Outstanding eye appeal, solid pedigree, and an EPD profile that is sure easy to work with. She will be one of the first Go Time progeny to be offered. Her dam is a solid producing female and a program favorite. Check this young lady out if you're wanting an impact female for your program.

Ms Grace 397L is a purebred Gelbvieh heifer with a great deal of potential. 397L's sire is 3G Grand Entry 933G. We purchased Grand Entry in Denver in 2020. He has been an outstanding herd sire for our program adding eye appeal, size, and performance. Grace has strong EPDS for growth. She is a sweetheart with lot of show potential going forward. She would make a great addition to any herd.

MS CCRC Frontier Vivian 621K is a homo black, homo polled Balancer heifer with performance that has always exceeded our expectations. Coming off a 78 lb birthweight she achieved a 658 lb adjusted weaning weight and a 980 lb adjusted yearling weight. MS CCRC Frontier Vivian 621K is the first calf out of EGL Vivian H257 (a Prowler 125B3 daughter) who came to us from the Eagle Pass dispersal sale a couple of years ago via our late friend Don Owen. Speaking of performance, MS CCRC Frontier Vivian 621K sells A1'd to Lazy TV Sam U451 (AMGV1079233) on 12/13/2023, just barely past her 13-month birthday. She was pasture exposed to Edison Lincoln 707J (AMGV1504385) from 12/31/2023 through 02/28/2024.

MS CCRC Godfather Sam 599K is a homo black, homo polled Purebred Gelbvieh heifer that is difficult for us to let go. Her dam is one of our Dam of Merit cows that produces an excellent calf year after year. Her pedigree includes Lazy TV Sam and Black Impact who is renowned for producing excellent heifers. MS CCRC Godfather Sam 599K had a weaning ratio of 103 coming off a 70 lb birthweight. She has a well-balanced (genomically enhanced) EPD profile and a baby doll disposition. Confirmed bred, she sells AI'd to Chief Justice C205 (AMGV1325089) on 12/13/2023 and pasture exposed to Edison Lincoln 707J (AMGV1504385) from 12/31/2023 through 02/28/2024.

MS CCRC Main St Ditka is a homo black, homo polled easy fleshing Balancer heifer that has been a pleasure to manage over the past year or so. She has one of the best dispositions to ever come out of our operation. With very little encouragement, she would become the biggest pet on the farm. MS CCRC Main St Ditka is very easy fleshing and has a balanced EPD profile with (genetically enhanced) Growth and Maternal EPD's averaging in the top third of the breed. Confirmed bred, she sells AI'd to Lazy TV Sam U451 (AMGV1079233) on 12/13/2023 and pasture exposed to Edison Lincoln 707J (AMGV1504385) from 12/31/2023 through 02/28/2024.

EGL P016 was the homozygous polled, diluter free, anchor donor for the Gelbvieh Bar None Ranch program. She produces top quality no matter what sire she is mated to. Her progeny have that extraordinary performance and style that set themselves apart. She has grossed well over \$250,000 with numerous individuals selling for \$10,000 plus. She is a full sister to EGL Fawn, EGL Farrah (both NWSS Grand Champion Females) and EGL Decade (breed influence AI sire). You'll want to take advantage of this opportunity to add her influence to your program. Selling 5 frozen IVF embryos sired by Alumni. Resulting progeny will be homozygous polled. Embryos will be available for pickup sale day. Shipping can be arranged at buyer's expense.

Dear Friends,

Welcome to the 38th Annual Kentucky Farm Bureau Beef Expo! As the largest beef cattle state east of the Mississippi River, Kentucky is blessed to have this event as a staple on our agriculture calendar each year.

Every year at the Beef Expo, Kentucky cattle producers show and sell some of the best cattle in the country to buyers looking to upgrade their genetics or take home a show project. This event is truly the place to be for the beef industry on the first weekend in March.

Over the years, we've seen ups and downs in the beef cattle market. But despite challenges, the industry is still in the top five for Kentucky agriculture, with the latest figures showing gross receipts from the production of cattle totaling \$1.1 billion.

Agriculture across Kentucky saw some unique challenges in 2023, but the cattle markets showed resilience with Kentucky's calves and feeders fetching much higher prices at the end of 2023 compared to 2022. Economists from the University of Kentucky anticipate agricultural receipts for 2023 could be \$8.1 billion, just shy of 2022's record-high \$8.3 billion.

These numbers show how important agriculture is to the state of Kentucky and cattle producers are a large reason for that. The nearly one million head of beef cattle in the Commonwealth and the more than 33,000 farms with beef cattle, solidifies cattle among one of Kentucky's top commodities.

As a cattle farmer myself, I know firsthand the hard work that goes into the beef industry from bottle-feeding calves to fighting the weather. It is that experience that forms my deep appreciation for the farmers across Kentucky who make this their passion year after year. Without their continued efforts Kentucky would not have the great agricultural community that makes it stand out amongst other states. Farming is the backbone of our state and cattle farmers are a large part of the equation.

Lastly, a lot of work goes into making this event possible every year. As always, I wish to thank Kentucky Venues CEO David Beck and his team for the many hours that went into hosting this event.

Again, welcome, and best wishes on an enjoyable and successful Kentucky Farm Bureau Beef Expo. If I or any of my staff can be of service to you, please don't hesitate to ask.

Sincerely,

**Jonathan Shell**  
Commissioner of Agriculture  
Commonwealth of Kentucky

### Welcome to the 2024 Kentucky Farm Bureau Beef Expo

For anyone involved in the state's cattle industry, they realize what an economic engine our livestock sector has become in the Commonwealth.

The sector has grown exponentially over the past 20 years and Kentucky now stands as the largest beef cattle producer east of the Mississippi and eighth in the nation.

Working in conjunction with the Kentucky Department of Agriculture, the Kentucky Farm Bureau Beef Expo continues to promote our cattle industry which now represents 16.5 percent of the state's total farm cash receipts.

This event helps to showcase the industry and is one of the premiere venues to buy, sell, and show some of the best livestock in the country.

The KFB Beef Expo has a rich history with its origins dating back to 1947 when it began as the Kentucky Angus Sweepstakes. Since then, many changes have taken place, but the purpose is still the same; to showcase the best cattle and highlight an industry so important to farm families across the state.

This year's Expo features nine different breed associations as producers from multiple states make their way to the Kentucky Fair and Expo Center for the event.

Much of the success of our cattle sector is due to the dedication of our farm families and the work each breed association has made to move forward in production, and quality. The KFB Beef Expo is a great place to see the results of those continuing efforts.

I would like to welcome each of you and hope you have a successful Expo and a great 2024 on the farm.

Sincerely,

A handwritten signature in black ink, appearing to read "Eddie Melton".

Eddie Melton  
President
