Watch & bid online for FREE at

DVAuction
Broadcasting Real-Time Auctions

Can't make the sale? Bid from home with DV Auction's "real-time" internet bidding service!

Buying online is as easy as 1, 2, 3...

1. Create an account at www.dvauction.com under the "register" tab
2. Apply for bidding approval by clicking on the "details" tab at least 24 hours prior to the auction-a DV representative will notify you once you have been approved
3. Tune in for the sale and make your purchases!

After the sale, contact the sale manager or owner to arrange transportation and payment. **High speed internet** is required for successful bidding-be sure to check the lag-time monitor in the top left corner to ensure real-time broadcasts.

Proxy Bidding-if you can't make time to watch the sale, register a proxy bid and let our system represent your bid while you're away. Look for the "proxy bid" tab on the auction listing, and fill in your maximum bids. We'll handle the rest!

Having troubles? During the auction, you can type a message to the operator at any time for assistance. Our full-time support team can also always be reached at (402) 474-5557.

• Just an October heifer calf, Womack Lucy 3211 is a great show heifer prospect. Her sire, Conley No Limit, is a young sire that has already produced national competitive cattle. Her dam, Womack Lucy 4227, is a daughter of Leachman Saugahatchee that has been the Angus Roll of Victory sire of the year multiple times. Womack Lucy 4227's dam was the Reserve Champion at the National Jr Angus Show in Kansas City. Womack Lucy 471, Granddam of Womack Lucy 4227, was Champion Female at the National Jr Angus show in Indianapolis. This heifer's individual build and pedigree makes her a great show heifer prospect that will be eligible for two show seasons.

• An outstanding heifer out of 24 Karat. There are several ways that you can describe this heifer: powerful, stylish, feminine, complete, classy and competitive. 24 Karat has been the most popular sire of calves when it comes to winning shows recently. The donor dam of this heifer, FCF Proven Queen 016 was the Champion cow/calf at 2022 TN State Fair and KY State Fair. She was also a many-time champion for Kalli during her show career. If you are looking for one that can compete with the best of them, look no further.

Lot #8 is the natural calf out the young Raindance * Missie donor we're very excited about. If you've followed this event at all over the past 5 years or so, the dominant run of champions and high sellers at this event that FCF Missie 421 has produced for both us and Burks is hard to miss. That list would include a full sister to the dam of this female being champion sale heifer and the high-selling female of the 2020 Beef Expo. This Night Watch daughter packs a punch from every angle, as she's big bodied, big backed, and big legged. She combines all that power with plenty of presence and style that demand your attention and give her an overall look of quality and balance.

• Here is a spring yearling that attracts attention in so many ways! She goes back to PVF Insight 0129 and Colburn Primo on her paternal side, as well as the world-famous HA COWBOY UP 5405 on the maternal side of her pedigree. Her genetics and bloodlines are powerfully stacked. She has awesome depth of body and tracks sound as a cat when she is on the move. This female provides genotype and phenotype into one complete package. She would make an excellent show prospect for any junior wanting to show this summer. She will make someone a lot of money one day... It might as well be you!

• This special attraction from Smithland has an awesome show heifer look, with a very nice front end, big square hip, powerful hind leg, and is very maternal looking in her kind. Her dam, SAF Lucy Pride 9135, is the very popular daughter of Classen that Bryanna showed successfully as a Senior Yearling in 2021! 9135 has proven herself as a great producer, now serving as a donor, allowing us to offer this elegant heifer in the Sweepstakes. She is sired by STAG Good Times; he sires good-looking, great-show heifer hair in his progeny. 3001 is gentle enough for novice showmen and will be very competitive for seasoned juniors.

Here is another exceptional daughter of PHF Provost 9032, going back to SAV Blackcap May 4136, the world-record income-producing cow at Schaff Angus Valley. Stemming back to the Elba and Forever Lady cow families, this young female is sure to be a profit-making investment for years to come. She is long bodied with such an attractive clean front end. This jewel has potential to be competitive in the showing and no doubt will become an easy-keeping brood cow in the pasture field after her show career is over. Don't pass her up in the stalls on sale day! Breeding information will be available on sale day.

• An April yearling sweetheart. Again, a heifer sired by BV Exclusive 1068. A great disposition, along with maternal and production EPDs to back it up. We purchased her dam from Twin Creek Angus, and is a daughter of one of the best sires ever, SAV Final Answer 0035. Sells open. A very nice heifer that has quality written all over her.

• Sired by Branch View Exclusive 1068, a son of Musgrave 316 Exclusive. These are some of his first heifers and we are really excited about them. This is her dam's last calf. Her dam was bred in the Rollin Rock herd in Montana. When we sold her last fall, she was over 12 years old. Herd longevity is bred in. Sells open. Breed her to what you like.

• Attractive fall bred heifer being offered by Lynn Creek and Apple Cattle Co. This female descends from the foundation donor, GAR Objective 1067, that is a maternal sister to the \$270,000 half interest GAR Ingenuity. The pedigree of this young female boasts some of the top dams of the breed, including GAR Objective 1076, Sandpoint Blackbird 8809, 2 Bar Mile High 9360, and Baldridge Isabel 69Y. Elite top 5% for \$Feedlot value index and superior top 10% for \$Combined value index. Great brood cow prospect in the making, and selling bred 11/5/2023 to the very popular Deer Valley Growth Fund.

• Heritage H344 Isabel 230 is a deep, wide, moderate-framed individual with an excellent EPD profile including \$M of +94 and \$C of +308. Her dam was bred in the Baldridge program and her grand dam is a full sister to the multi-million dollar producer Y69. She is bred to 44 Victory, the \$200,000 and all-time record-selling bull at 44 Farms. 44 Victory offers pedigree flexibility, high-quality phenotype, stellar feet, elite calving ease, top flight growth and unparalleled carcass merit. This heifer will add value to anyone's program and her Victory calf should be a very marketable asset.

• The cow family on this female needs no introduction! How about an awesome BJ Surpass daughter from the Meyer's Kem family. In the 2023 Family Values sale, Millstone Farm selected the Lot 18 Kem daughter for \$13,000. Everyone knows how desirable the BJ Surpass offspring have become. This young donor prospect offers superb maternal merit with a big rib and stout build. She sells due to calve 3/19/2024 to the very popular Select Sires roster member Wilks Regiment 9035. Own a building block with a world of opportunity; don't miss this exciting lot.

This direct son of E&B Wildcat 9402 traces back to an own daughter of Stevenson Turning Point and PVF Insight 0129, making him a calving-ease specialist with a +11 on CED. Not to mention a +37 on Milk, with a +303 on \$C index values. He has potential to produce show heifer prospects that will be competitive in the showing as well as maternal production females that will raise high-yielding feeder calves.

Big time herd sire prospect. Power, mass, big footed, and all wrapped up in an attractive package. 2205 is a moderate birth weight bull that should sire the kind of calves that will tip the scales at weaning time. If disposition is a concern in your operation, then you can rest easy with 2205. Shake a feed bucket and he will follow you anywhere. Take him home, slip off his halter, and point him towards the ladies, he'll take care of the rest. Be sure to stop by our stalls and check this guy out. Semen tested and ready to go to work.

This own son of Wall Street is sure to add pounds to your future calf crops. He is deep through his rib dimension, along with a very stout bone and skeletal structure in his overall makeup. Structural soundness is the key phrase in describing this individual. Going back to the Elverelda cow family on the bottom side of his pedigree, this young herd sire has powerful genetics all across the board. He is sure to add value to any commercial or registered cattlemen's operation. Look him over in the stalls in Louisville!

Awsome herd sire prospect being offered by Low Water Farms. This stout son of the popular select sires roster member HPCA Veracious has been a many-time champion for Annaliese. His dam carries proven cow families in her pedigree, such as Sandpoint Blackbird 8809, GAR Objective 1885, and Deer Valley Blackcap 1122. The combination of top maternal EPDs and chart-topping carcass numbers are sure to add high-caliber genotype and phenotype cattle in your next calf crop. Don't miss the opportunity to own an outstanding young sire with the pedigree, EPDs and look to make an impact in your herd.

Dear Friends,

Welcome to the 38th Annual Kentucky Farm Bureau Beef Expo! As the largest beef cattle state east of the Mississippi River, Kentucky is blessed to have this event as a staple on our agriculture calendar each year.

Every year at the Beef Expo, Kentucky cattle producers show and sell some of the best cattle in the country to buyers looking to upgrade their genetics or take home a show project. This event is truly the place to be for the beef industry on the first weekend in March.

Over the years, we've seen ups and downs in the beef cattle market. But despite challenges, the industry is still in the top five for Kentucky agriculture, with the latest figures showing gross receipts from the production of cattle totaling \$1.1 billion.

Agriculture across Kentucky saw some unique challenges in 2023, but the cattle markets showed resilience with Kentucky's calves and feeders fetching much higher prices at the end of 2023 compared to 2022. Economists from the University of Kentucky anticipate agricultural receipts for 2023 could be \$8.1 billion, just shy of 2022's record-high \$8.3 billion.

These numbers show how important agriculture is to the state of Kentucky and cattle producers are a large reason for that. The nearly one million head of beef cattle in the Commonwealth and the more than 33,000 farms with beef cattle, solidifies cattle among one of Kentucky's top commodities.

As a cattle farmer myself, I know firsthand the hard work that goes into the beef industry from bottle-feeding calves to fighting the weather. It is that experience that forms my deep appreciation for the farmers across Kentucky who make this their passion year after year. Without their continued efforts Kentucky would not have the great agricultural community that makes it stand out amongst other states. Farming is the backbone of our state and cattle farmers are a large part of the equation.

Lastly, a lot of work goes into making this event possible every year. As always, I wish to thank Kentucky Venues CEO David Beck and his team for the many hours that went into hosting this event.

Again, welcome, and best wishes on an enjoyable and successful Kentucky Farm Bureau Beef Expo. If I or any of my staff can be of service to you, please don't hesitate to ask.

Sincerely,

Jonathan Shell
Commissioner of Agriculture
Commonwealth of Kentucky

Welcome to the 2024 Kentucky Farm Bureau Beef Expo

For anyone involved in the state's cattle industry, they realize what an economic engine our livestock sector has become in the Commonwealth.

The sector has grown exponentially over the past 20 years and Kentucky now stands as the largest beef cattle producer east of the Mississippi and eighth in the nation.

Working in conjunction with the Kentucky Department of Agriculture, the Kentucky Farm Bureau Beef Expo continues to promote our cattle industry which now represents 16.5 percent of the state's total farm cash receipts.

This event helps to showcase the industry and is one of the premiere venues to buy, sell, and show some of the best livestock in the country.

The KFB Beef Expo has a rich history with its origins dating back to 1947 when it began as the Kentucky Angus Sweepstakes. Since then, many changes have taken place, but the purpose is still the same; to showcase the best cattle and highlight an industry so important to farm families across the state.

This year's Expo features nine different breed associations as producers from multiple states make their way to the Kentucky Fair and Expo Center for the event.

Much of the success of our cattle sector is due to the dedication of our farm families and the work each breed association has made to move forward in production, and quality. The KFB Beef Expo is a great place to see the results of those continuing efforts.

I would like to welcome each of you and hope you have a successful Expo and a great 2024 on the farm.

Sincerely,

Eddie Melton, President
Kentucky Farm Bureau

Welcome to the 68th Annual Kentucky Angus Sweepstakes Show and Sale held at the Kentucky Fair and Exposition Center in Louisville, Kentucky. As we approach the end of Winter and the promise of Spring arrives, we look forward to a great year in the cattle industry.

The Sweepstakes will be presented by the top-tier Angus herds in Kentucky, bringing you some of the highest quality the commonwealth has to offer. There will be very competitive show heifers, bred heifers, and cow/calf pairs for your appraisal. The show will be held Friday, March 1st and the sale will be on Saturday, March 2nd. If you are unable to attend, the sale will be broadcasted live on DV Auctions. If you have any questions about the sale offerings, please reach out to the sale staff or consignors.

The Kentucky Angus Association will be having our annual business meeting at the fairgrounds on Friday, March 1st. We look forward to your attendance.

The Sweepstakes is a part of the 38th Annual Kentucky Farm Bureau Beef Expo, which features shows and sales of multiple breeds. The great event is made possible by the Kentucky Department of Agriculture and the Kentucky Farm Bureau. We are thankful to these organizations for their financial support and personnel to make this event so successful every year.

We look forward to visiting with each of you!
