TERMS & CONDITIONS

Load Out

After settlement the animals purchased will need to be removed from the facility on Saturday, March 1st by dark unless arrangements are made with sale management prior to the sale.

Health

All cattle will be accompanied with health papers for shipment anywhere in the continental U.S.

Supplement Sheet

The supplement sheet and announcements from the auction block take precedence over the catalog.

Liability

All persons attending the sale do so at their own risk. Sale participants and/or the sale management assumes no liability for accidents, theft or damages occurring at the sale facility.

Trucking

Transportation for the cattle can be arranged after the sale. Please contact the sale management prior to the sale to discuss your transportation needs.

Terms & Conditions

All cattle will be sold at auction under the standard terms and conditions recommended by the American Gelbvieh Association. A copy of this may be obtained from the AGA or Slaughter Sale Management. Terms of the sale are cash or check at the conclusion of the sale unless prior arrangements are made.

Here's your opportunity to invest in a true standout from the Dobson Ranch program. MDR Lonesome Dove 3608L is a long spined bull with exceptional muscle dimension, striking a balance between power and smoothness in his design. His easy-fleshing ability, rugged skeletal build, clean joints and massive foot size are a testament to his structural soundness and the longevity he will pass on to future generations. He is backed by one of the most influential donors in the Dobson Ranch program, MDR Clara Allen 520C. His dam has a track record of producing elite cattle, including sought after donors, herd sires and National Champions. The genetic potential behind this high percentage bull positions him as an asset capable of enhancing any program's reputation for excellence. This will be the last chance to purchase a semen package on the 2025 Cattleman's Congress Reserve Grand Champion Gelbvieh Bull, Lonesome Dove 3608L. Don't miss this opportunity!

Ms CCRC All American 130M is a homozygous black/homozygous polled Purebred Gelbvieh heifer out of All American J109. Her two-time Dam of Merit mother is a powerful female who has made us some nice heifers over the years. In fact, her dam has had five AI bred calves, all of which were heifer calves and has never been bred by a bull. You might notice that this young heifer's EPD fertility scores (both HP and PG30) are in the top 10% of the breed. Also take note of this young heifer's intake and carcass EPDs, most of which are in the top third of the breed. We believe this heifer will make an outstanding contribution to someone's cattle herd.

Miss Jackpot 022M has a big future ahead of her. She is out of MR Jackpot 889, a new sire that has already proven himself. With a KY state reserve champion heifer, a national grand champion heifer and multiple bulls with great looks, MR Jackpot 889 is putting some impressive animals on the ground. Her Dam is Ashley 17E6, from the great Ashley line of Green Hills Gelbvieh. Miss Jackpot sells halter broke and ready for your 2025 shows.

Ms S & S Manifesto 327M is a homo black heifer out of our senior herd sire, Manifesto J104. This sweet young lady was weaned at an early age to prepare her for the expo. She is royally bred with Leverage, Black Impact, and too many others to mention in her 11 generations of S & S Gelbvieh breeding. Her EPD profile, performance, pedigree and disposition make her a must have female for your show string or a future front pasture female.

Ms Black Jack 493M is an incredible heifer. She is a deep bodied, long spined, structurally correct female that has an attractive profile. Note her EPDS strength for calving ease, growth and maternal. It's difficult to find one this attractive with such a good EPD profile. She is one of the first offerings from Rumfeld's Black Jack ET. She will be a front pasture female. Don't miss out on this outstanding heifer. Sells open.

Ms S & S Manifesto 323L is a homo black, homo polled Manifesto J104 daughter from the heart of our herd. She is what we strive to produce as a production female. Nine generations of solid producing females are represented in this elite genetic package. Her grand dam is recognized as a Dam of Distinction. 323L can be summarized as having outstanding personal performance backed by a solid pedigree of elite production females. Her EPD profile will allow her many breeding choices that should produce your next sale feature. It's hard to let go this type of female. She's worth careful consideration. Sells open and ready to breed.

Ms S & S Manifesto 322L is a homo black Manifesto J104 daughter that is similar to the Lot 9 female. For some of the older breeders may recognize that she traces maternally to the dam of the infamous JBOB 92C, one of the breed's great females. Manifesto progeny are known for their performance and maternal strength. We feel he will emerge as one of the breed's leading purebred production bulls in the years to come. His short gestation, modest birth, explosive growth, maternal strength and carcass quality make him an easy choice when making breeding decisions. Sells open and ready to breed.

Ms S&S Godfather 862F is a young purebred Gelbvieh cow out of Godfather 575C and Ms S & S Highlight 64X. We just weaned her All American heifer calf for retention in our program and are expecting a couple of Big Andy ET calves out of her later this year. She has a good disposition and a balanced EPD profile. She was AI bred to Deere Valley Growth Fund (AMAN18827828) on 12/02/2024 and has been pasture exposed to Mr CCRC Black Baron 637L (AMGV1580317) since 12/19/2024. Confirmed bred.

We purchased MS Warden 2510Z 2 years ago from Warner Beef Genetics. She has been in our donor program upon her arrival. Her son DLW TPG Frontrunner 2510F was the most used Gelbvieh sire in 2023 and will still be one of the most used sires in 2024. Selling 3 grade 1 IVF frozen purebred Gelbvieh embryos out of our Warden 2510Z donor sired by the \$50,000 DBRG Mr. Bold Ruler 3194L. There is no semen of Bold Ruler 3194L available on the market. This will be one of the only opportunities to own your own Bold Ruler sired offspring. Guarantee of 1 pregnancy provided a certified embryologist places them. 1 embryo will be supplied for the guarantee if a pregnancy is not achieved.

Dear Friends,

Welcome to the 39th Annual Kentucky Farm Bureau Beef Expo! As the largest beef cattle state east of the Mississippi River, Kentucky is blessed to have this event as a staple on our agriculture calendar each year.

Every year at the Beef Expo, Kentucky cattle producers show and sell some of the best cattle in the country to buyers looking to upgrade their genetics or take home a show project. This event is truly the place to be for the beef industry on the first weekend of March.

Over the years, we've seen ups and downs in the beef cattle market. But despite challenges, the industry is still in the top five for Kentucky agriculture, with the latest figures showing gross receipts from the production of cattle totaling \$1.28 billion.

Agriculture across Kentucky saw some unique challenges in 2024, but the cattle markets showed resilience. Cattle cash receipts rank fifth among Kentucky commodities and account for 13 percent of the total ag cash receipts for the state, which economists from the University of Kentucky anticipate will be near the \$8.3 billion record mark set in 2022.

These numbers show how important agriculture is to the state of Kentucky and cattle producers are a large reason for that. The nearly one million head of beef cattle in the Commonwealth and the more than 31,000 farms with beef cattle, solidifies cattle among Kentucky's top commodities.

As a cattle farmer myself, I know firsthand the hard work that goes into the beef industry from bottle-feeding calves to fighting the weather. It is that experience that forms my deep appreciation for the farmers across Kentucky who make this their passion year after year. Without their continued efforts Kentucky would not have the great agricultural community that makes it stand out amongst other states. Farming is the backbone of our state and cattle farmers are a large part of the equation.

Lastly, a lot of work goes into making this event possible every year. As always, I wish to thank Kentucky Venues CEO David Beck and his team for the many hours that went into hosting this event.

Again, welcome, and best wishes on an enjoyable and successful Kentucky Farm Bureau Beef Expo. If I or any of my staff can be of service to you, please don't hesitate to ask.

Sincerely,

Jonathan Shell

Welcome to the 2025 Kentucky Farm Bureau Beef Expo

For many years, Kentucky's cattle industry has grown to the point that it is the eighth largest cattle producing state in the country and the largest east of the Mississippi which helps this sector of the agriculture industry to be a major economic driver for farm families across the state.

Working in conjunction with the Kentucky Department of Agriculture, the Kentucky Farm Bureau (KFB) Beef Expo continues to promote our cattle industry which now represents nearly 20 percent of the state's total farm cash receipts, according to 2024 projections.

This event helps to showcase the industry and is one of the premiere venues to buy, sell, and show some of the best livestock in the country.

The KFB Beef Expo has a rich history with its origins dating back to 1947 when it began as the Kentucky Angus Sweepstakes. Since then, many changes have taken place, but the purpose is still the same; to showcase the best cattle and highlight an industry so important to farm families across the state.

This year's Expo features six different breed associations and will feature a pen sale, as producers from multiple states make their way to the Kentucky Fair and Expo Center for the event.

Much of the success of our cattle sector is due to the dedication of our farm families and the work each breed association has made to move forward in production, and quality. The KFB Beef Expo is a great place to see the results of those continuing efforts.

I hope you have a successful Expo and a great year on the farm.

Sincerely,

A handwritten signature in black ink, appearing to read 'Eddie Melton', is written over a light blue horizontal line.
