Dear Friends.

Welcome to the 39th Annual Kentucky Farm Bureau Beef Expol As the largest beef cattle state east of the Mississippi River, Kentucky is blessed to have this event as a staple on our agriculture calendar each year.

Every year at the Beef Expo, Kentucky cattle producers show and sell some of the best cattle in the country to buyers looking to upgrade their genetics or take home a show project. This event is truly the place to be for the beef industry on the first weekend of March.

Over the years, we've seen ups and downs in the beef cattle market. But despite $\ensuremath{\mathsf{O}}$ challenges, the industry is still in the top five for Kentucky agriculture, with the latest figures showing gross receipts from the production of cattle totaling \$1.28 billion.

Agriculture across Kentucky saw some unique challenges in 2024, but the cattle markets showed resilience. Cattle cash receipts rank fifth among Kentucky commodities and account for 13 percent of the total ag cash receipts for the state, which economists from the University of Kentucky anticipate will be near the \$8.3 billion record mark set in 2022.

These numbers show how important agriculture is to the state of Kentucky and cattle producers are a large reason for that. The nearly one million head of beef cattle in the Commonwealth and the more than 31,000 farms with beef cattle, solidifies cattle among Kentucky's top commodities.

As a cattle farmer myself, I know firsthand the hard work that goes into the beef industry from bottlefeeding calves to fighting the weather. It is that experience that forms my deep appreciation for the feeding calves to fighting the weather. It is that experience that forms my deep appreciation for the fermers across Kentucky who make this their passion year after year. Without their continued efforts Kentucky would not have the great agricultural community that makes it stand out amongst other states. Farming is the backbone of our state and cattle farmers are a large part of the equation.

Lastly, a lot of work goes into making this event possible every year. As always, I wish to thank Kentucky Venues CEO David Beck and his team for the many hours that went into hosting this event.

Again, welcome, and best wishes on an enjoyable and successful Kentucky Farm Bureau Beef Expo. If I or any of my staff can be of service to you, please don't hesitate to ask

Jon Hu Stell

Jonathan Shell Commissioner of Agriculture Commonwealth of Kentucky

For many years, Kentucky's cattle industry has grown to the point that it is the eighth largest cattle producing state in the country and the largest east of the Mississippi which helps this sector of the agriculture industry to be a major economic driver for farm families across the state.

Working in conjunction with the Kentucky Department of Agriculture, the Kentucky Farm Working in conjunction with the Kentucky Department of Agriculture, the Kentucky Farm Bureau (KFB) Beef Expo continues to promote our cattle industry which now represents nearly 20 percent of the state's total farm cash receipts, according to 2024 projections.

This event helps to showcase the industry and is one of the premiere venues to buy, sell, and show some of the best livestock in the country.

The KFB Beef Expo has a rich history with its origins dating back to 1947 when it began as the The APB Beel Expo has a non history with its origins daung back to 1947 when it began as the Kentucky Angus Sweepstakes. Since then, many changes have taken place, but the purpose is still the same; to showcase the best cattle and highlight an industry so important to farm families

This year's Expo features six different breed associations and will feature a pen sale, as producers from multiple states make their way to the Kentucky Fair and Expo Center for the

Much of the success of our eattle sector is due to the dedication of our farm families and the work each breed association has made to move forward in production, and quality. The KFB Beef Expo is a great place to see the results of those continuing efforts.

I hope you have a successful Expo and a great year on the farm.

This Meles

Eddie Melton, President Kentucky Farm Bureau

Terms And Conditions: Terms of the sale are cash or your good check, with settlement to be made with the clerk immediately following the sale and before cattle are removed from the sale site. Billed accounts are due within 10 days of the sale.

Phone Bids: If you are unable to attend the sale personally, simply contact one of the sale personnel whose phone numbers are listed prior to the sale. They will accept your bid in confidence and act as your agent at ringside.

Health: Each animal sells with a state approved health certificate for interstate shipment. It is the buyer's responsibility to make themselves aware of their state's health requirements.

Breeding Guarantee: The Standard Guarantee as endorsed by the American Shorthorn Association will be followed.

ASA Genetic Condition Disclaimer: Unless an animal is listed on the American Shorthorn Association "genetic condition status list", the American Shorthorn Association makes no representation of any kind as to whether or not the animal has a genetic condition.

Liability: Each animal is at the buyer's risk when sold, but will be cared for by the sellers for a reasonable amount of time. Neither the owners, employees, auctioneer, sale managers, or other affiliated personnel can be held responsible for any accidents, but they will make every effort to provide for the comfort and safety of those attending.

A young heifer that has been a favorite since she was born. We selected her for the show ring at an early age due to her fantastic front end. Not only that, but her depth of body, muscle definition, and bone. We love this heifer, but we can't keep them all. You won't go wrong adding this heifer to your show string. Keep an eye out on our Facebook page, Cheyenne Cattle Company, for pictures and videos

Our first Naomi cow family heifer hit the ground with a bang! She's big bodied, great necked and as sound at the ground as they come. She has always had that show heifer look; she was an eye catcher from day one!

Here is our other offering - full sib to Lot 21 - just pick out what age you want to show! This one's roan! Again, she's out of C2, who was the Reserve Grand Heifer at Louisville. It's time to capitalize on genetics that will make you money long term!

This purebred heifer is an abosulte power house! She is a very stout made and deep bodied female, yet still has the feminine and maternal look to her. She no doubt has a great future ahead of her and will make an amazing show heifer and an even better cow one day.

Sired by the great syndicated sire Eighteen Seventy Two, this heifer puts it all together. Beautiful roan color pattern, structurally correct, deep bodied, plenty of muscle and bone, super fronted and backed up by a great cow family.
