Sale Terms and Conditions

TERMS: Terms of the sale are cash or personal check. Each animal will be sold to the highest bidder. The auctioneer will settle any disputes as to bids. Settlement must be made day of sale to JWC Marketing LLC.

PURCHASE: Each animal will be at the purchaser's risk as soon as sold and can be moved after settlement has been made. Animals may be left in the Pen Sale area until noon on the day after the sale.

HEALTH: All the cattle will be accompanied by the proper health certificate for immediate shipment. Out-of-state buyers should be aware of any special requirements and/or permits of their respective states and shall be responsible for same.

CONSIGNOR'S RESPONSIBILITY: The seller is the responsible party for all representations made about his/her cattle.

LIABILITY: The management of the sale assumes no liability, legal or otherwise, but will endeavor to protect the interest of both the buyer and the seller.

CHANGES: Any changes from printed material will be announced sale day. Announcements from the sale box take precedence over anything printed in the catalog.

PAPERS: Registration papers will be transferred by sale personnel at no cost to the buyer, each buyer must be sure to give the clerk his proper name and address for transfers. All calves born after the sale are to be registered by the purchaser. NO AI SERVICE CERTIFICATES WILL BE FURNISHED BY THE SELLER FOR BRED FEMALES.

Guarantees

BREEDING: All animals are guaranteed to be breeders (with the exception of):

- A. Injury or disease occurring after sale.
- B. Gross negligence or willful misconduct on the part of purchaser.

Cows with calves at side are presumed to be breeders with no further fertility guarantee.

SAFE IN CALF FEMALES: Have been examined by a competent veterinarian and are so guaranteed.

OPEN FEMALES: Have not been served and are so guaranteed.

Options and Privileges of Return or Adjustment

1. All claims for adjustment or refund must be made in writing within six months of sale date to the seller.
2. In the event an animal is claimed to be a non-breeder, the animal may be returned to the farm of the seller in good condition and complying with health requirements of the seller's state. The seller shall be entitled to six months to prove the animal is a breeder. If the seller is unable to prove the animal is a breeder, the seller shall replace the animal with another of equal value or refund the full purchase price.
3. If the female sold as "safe in calf", proves not to be in calf within 60 days, the seller shall be obligated to make a satisfactory adjustment on the purchase price or refund the purchase price upon return of the animal to the farm of the seller.
4. Any expense incurred for transportation shall be the responsibility of the purchaser, except that the seller shall be responsible for transportation costs in excess of the distance between the purchaser's farm and the location of the sale.

Full set of rules are available upon request.

Welcome to the 2026 Kentucky Farm Bureau Beef Expo

Cattle have historically been an important part of Kentucky's agriculture industry for generations dating back to its earliest settlers. Through the years, our farm families have seen the sector grow from one used mainly for sustenance in the beginning to one with a substantial economic impact as the state has become the largest beef cattle producer east of the Mississippi.

This growth can be attributed to the hard work of our cattle producers, to incredible investments made in this and other agriculture sectors thanks to the Kentucky Agricultural Development Fund, and to years of continual research by our universities across the state.

Working in conjunction with the Kentucky Department of Agriculture, and with continual support by valued sponsors, the Kentucky Farm Bureau (KFB) Beef Expo has become a staple in Kentucky's storied cattle industry as one of the top events to exhibit, sell, and buy the best cattle in the region.

Dating back to 1947 the KFB Beef Expo has brought producers from the surrounding area together to showcase their cattle and highlight an industry so important to farm families across the commonwealth with multiple breeds showcased during the three-day event.

It takes many dedicated workers and volunteers to make this annual event held at Kentucky Fair and Expo Center run smoothly and I can't thank each one enough.

I would also like to acknowledge the many young people who participate each year and point out that often they represent past generations of their families who have made the Beef Expo a part of their farming experience.

I hope you have a successful Expo and we look forward to a great year on the farm.

Sincerely,

**Eddie Melton, President
Kentucky Farm Bureau**

Dear Friends,

Welcome to the 40th Annual Kentucky Farm Bureau Beef Expo! As the largest beef cattle state east of the Mississippi River, Kentucky is blessed to have this event as a staple on our agriculture calendar each year.

Every year at the Beef Expo, Kentucky cattle producers show and sell some of the best cattle in the country to buyers looking to upgrade their genetics or take home a show project. This event is truly the place to be for the beef industry on the first weekend of March.

Over the years, we've seen ups and downs in the beef cattle industry. But 2025 saw a rebounding of the market. Cattle prices were up more than 25 percent for much of the year offsetting the fact that there were fewer animals on the market. Cattle and calves brought in more than \$1.5 billion in cash receipts, making it one of Kentucky's top commodities

The cattle industry's strong showing for 2025 helped contribute to the overall agricultural sales for the state, which economists at the University of Kentucky anticipate will be near the \$8.3 billion record mark.

These numbers show how important agriculture is to the state of Kentucky and cattle producers are a large reason for that. The nearly one million head of beef cattle in the Commonwealth and the more than 31,000 farms with beef cattle, solidifies cattle among Kentucky's top commodities.

As a cattle farmer myself, I know firsthand the hard work that goes into the beef industry from bottle-feeding calves to fighting the weather. It is that experience that forms my deep appreciation for the farmers across Kentucky who make this their passion year after year. Without their continued efforts Kentucky would not have the great agricultural community that makes it stand out amongst other states. Farming is integral for our state and cattle farmers are a large part of the equation.

Lastly, a lot of work goes into making this event possible every year. As always, I wish to thank Kentucky Venues CEO David Beck and his team for the many hours that went into hosting this event.

Again, welcome, and best wishes on an enjoyable and successful Kentucky Farm Bureau Beef Expo. If my staff or I can be of service to you, please don't hesitate to ask.

Sincerely,

**Jonathan Shell
Commissioner of Agriculture
Commonwealth of Kentucky**

- Sells open. We don't typically use Angus bulls in our operation but Express isn't your typical Angus bull. Backed by a super stout Combustible cow that needs no introduction, having raised a high seller just last year in this sale. N233 is the kind, super sound, long spined and the natural depth of body and rib shape we wish all of them possessed.. Throw a halter on her head or add her to your replacement pen this female will be one your neighbors ask about.
- Seller retains the right to one successful flush.

- Sells open. If this one doesn't blow your skirt up I really don't know what to tell you.. Her sire Coping with Destiny doesn't have many calf crops under his belt but I'll be the first to tell you he will be used for a long time to come. N119 will do anything you're wanting to do and then some. Show her, anywhere and she will stand up there with the best of them. Breed her to whatever colored bull you want and her offspring will command top dollar. Make a donor out of her and produce the type of cattle that any breeder would gladly put their brand on.
- Seller retains the right to one successful flush.

Consignor: TW Cattle Co.

Hinton Mills

SERVING FARMERS SINCE 1918

www.hintonmills.com

Welcome to the 2026 Kentucky Farm Bureau Beef Expo. Hinton Mills is proud to help sponsor the 28th Annual All Breeds Pen Heifer Show and Sale this weekend. As in past years, several of the cattle that will come through the ring at this sale have been fed quality Hinton Mills feed, supplement tubs, or mineral. Others may have benefited from the animal health items or equipment we sell, such as vaccines, waterers, working systems, or scales. Whether you are trading with us or someone else, it's clear that the animals at this event each year have been well cared for!

Hinton Mills has been serving farm families in our region since 1918. We got our start in the cattle business when our founder, Frank L. Hinton, was orphaned after the loss of his parents when he was a child. At a young age, he was able to help put food on the table by raising and selling calves. The money he earned selling cattle eventually became the seed money for our family business. Four generations later, we are still serving farm families like yours.

Hinton Mills has six farm supply locations across northeastern Kentucky: Fleming County Farm Supply, Jabetown Mill, May's Lick Mill, Frank Hinton & Son, Hinton Mills Cynthiana, and Hinton Mills Mt. Sterling. We are also partners in a tub manufacturing business to better control the supply, quality, and price of the protein tubs we offer our customers. Our stores carry a wide variety of agricultural products, but our focus is on feed, seed, fertilizer, crop protection, animal health products, minerals, tubs, and fencing materials. We are very confident in our ability to provide you with the trusted products and services that you need and deserve.

Just like our business, we know your farm business has been built on trust. That's why we won't take your trust lightly. Whether you're an old friend or first-time customer, we'll work hard to earn your trust with thoughtful, experienced advice about the right products for your unique farming operation. We hope you'll visit with our team at the Beef Expo or stop by one of our locations to let us know more about your cattle operation and how we can best serve you. Thank you for the opportunity!

Sincerely,
The Hinton Mills Team
